**CONSTITUTION AND BYLAWS
of the
International Brotherhood of
Teamsters, Chauffeurs,
Warehousemen and Helpers of America**

Preamble

As almost every improvement in the condition of the working people was accomplished by the efforts of organized labor, and as the welfare of workers can best be protected and advanced by their united action in one great labor organization, we have organized the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America.

ARTICLE I

NAME

Section 1. This organization shall be known as the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America and shall consist of an unlimited number of Local Unions chartered by the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America.

The principal and main office of the International Union shall be located at such place as is designated by the General Executive Board.

Objects

Section 2. The objects of this International Union are to organize under one banner all workmen engaged in industry; to educate them to cooperate in every movement which tends to benefit the organization; and to impress upon our membership, employers and the public that it is to the advantage of all concerned that workers be organized. The organization of our industry requires honest and intelligent membership, adapted to the business. We teach our membership the advantage, benefits and importance of their industrial position, and we endeavor to build up and perfect a labor organization in conformity with the highest standards of our American and Canadian citizenship. We seek to improve the industry by increasing the efficiency of the service and by instilling confidence, good will and understanding between our membership and their employers, which will have the effect of preventing unnecessary conflicts or serious misunderstandings between the membership and their employers, and which will further encourage cooperation and fair dealing with all employers so as to secure for our membership reasonable hours, fair wages and improved working conditions.

The objects of this International Union are also to secure improved wages, hours, working conditions and other economic advantages through organization, negotiations and collective bargaining, through advancement of our standing in the com-

munity and in the labor movement through legal and economic means, and all other lawful methods; to provide educational advancement and training for employees, members and officers; to safeguard, advance and promote the principle of free collective bargaining, the rights of workers, farmers and consumers, and the security and welfare of all the people by political, educational, and other community activity; to engage in cultural, civic, legislative, political, fraternal, educational, charitable, welfare, social and other activities which further the interests of this organization and its membership, directly or indirectly; to provide financial and moral assistance to other labor organizations or other bodies having purposes and objectives in whole or in part similar or related to those of this organization; to engage in community activities which will advance the interests of this organization and its members in the community and in the nation, directly or indirectly; to protect and preserve the International Union as an institution and to perform its legal and contractual obligations; to receive, manage, invest, expend or otherwise use the funds and property of this organization to carry out the duties and to achieve the objectives set forth in this International Constitution and Bylaws and for such additional purposes and objects not inconsistent therewith as will further the interests of this organization and its members, directly or indirectly.

ART. II, SEC. 1

It is recognized that the problems with which this labor organization is accustomed to deal are not limited to unionism or to organization and collective bargaining alone, but encompass a broad spectrum of economic and social objectives as set forth above and as the Union may determine from time to time; we therefore determine and assert that the participation of this labor organization, individually and with other organizations, in the pursuit and attainment of the objectives set forth herein are for the sole benefit of the organization and its members.

ARTICLE II

JURISDICTION, MEMBERSHIP AND ELIGIBILITY TO OFFICE

Jurisdiction

Section 1. This organization has jurisdiction over all workers including, without limitation, teamsters, chauffeurs, warehousemen and helpers; all who are employed on or around horses, harness, carriages, automobiles, trucks, trailers, and all other vehicles hauling, carrying, or conveying freight, merchandise, or materials; automotive sales, service and maintenance employees, garage workers and service station employees, warehousemen of all kinds employed in warehouse work, stockmen, shipping room employees, and loaders; that is, persons engaged in loading or unloading freight, merchandise, or other

materials on to or from any type of vehicle; all classes of dairy employees, inside and outside, including salesmen; brewery and soft drink workers; workers employed in ice cream plants; all other workers employed in the manufacture, processing, sale and distribution of food, milk, dairy and other products; all truck terminal employees; and cannery workers.

Membership

Section 2 (a). Any person shall be eligible to membership in this organization, provided that hereafter no person shall be eligible for membership in the International Union who has willfully refused to become a citizen of either the United States or Canada or the country in which his Local Union is chartered, at his option.

(b). Persons who own, lease or operate a team or vehicle and/or perform any other work may be eligible for membership in this International Union. If, however, any Local Union can prove to the satisfaction of the General President that the membership of such individuals would be detrimental to the welfare of the Local Union, it may present such facts to the General President for authority to refuse to accept such persons as members. The General President shall consider all the facts and circumstances and render a decision in the matter, subject to appeal to the General Executive Board, which shall be binding on the Local Union.

ART. II, SEC. 2

(c). The foregoing provision shall apply with equal force to so-called "vendors" and "owner-equipment drivers." A "vendor" is a person who purchases products and sells the same on his own behalf. An "owner-equipment driver" is a person who, in connection with his employment, uses equipment sold or leased to him by his employer or equipment which he has purchased independently but which he uses in whole or in part in the service of his employer. When such persons apply for membership in the International Union, the Local Union and the International Union shall have the right and authority as a condition precedent to membership to approve or disapprove any contract pertaining to such form or similar form of employment.

(d). All contracts hereafter renewed or entered into, pertaining to such form or similar form of employment, shall likewise be subject to such approval or disapproval of the Local Union and International Union. If, in the judgment of the Local Union or International Union, such employment contract will constitute a reduction in the union wage scale then prevailing for such service without "owner equipment," the same shall not be approved by the Local Union, and such persons shall be ineligible to membership or, if members, shall cease to work under such conditions or be subject to suspension or expulsion by the Local Union or International Union.

(e). The General Executive Board is empowered,

when necessity arises, to change, alter and amend any provision of paragraphs (b) through (d) inclusive of this Section.

(f). Local Unions and other subordinate bodies are authorized, through duly adopted Bylaws and with the approval of the General President, to place such specific limitations as the circumstances warrant on the right of members who hold supervisory positions to hold office and participate in the affairs of their organizations.

Communist Elements

Section 3 (a). No member of the Communist Party nor any person who subscribes or lends support to its doctrines shall be allowed to hold membership in any Local Union of the International Organization. If by false statement such individual has obtained membership he shall be expelled. It is not necessary that the individual charged with membership in the Communist Party admit his membership in said party or organization. If the Local Union Executive Board, by majority vote, is satisfied by the evidence presented that the individual is a member of the Communist Party, or subscribes or lends support to its doctrines, the Local Union Executive Board shall expel such individual after he has obtained a proper trial, in accordance with our laws.

(b). The action of the Local Union Executive Board is final and binding, with the understanding that either party has the right to appeal in accord-

ART. II, SEC. 4

ance with this Constitution, subject to the following provision: if, in the opinion of the General President, the above Section has not been complied with in principle and intent by the Local Union or its executive officers, he or someone appointed by him or acting for him, shall be empowered to reopen and review the case and, if he deems it advisable, he or his representative shall be empowered to transfer the case to the General Executive Board. If the General Executive Board returns a decision of guilty, the decision shall be final and binding.

Eligibility to Office

Section 4 (a) (1). To be eligible for election to any office in a Local Union, a member must be in continuous good standing in the Local Union in which he is a member and in which he is seeking office for a period of twenty-four (24) consecutive months prior to nomination for said office. "Continuous good standing" means compliance with the provisions of Article X, Section 5 concerning the payment of dues for a period of twenty-four (24) consecutive months, together with no interruptions in active membership in the Local Union for which office is sought because of suspensions, expulsions, withdrawals, transfers or failure to pay fines. A Local Union in its Bylaws may require that a member, to be eligible for election to any office in the Local Union, must have attended a minimum number of the regular or divisional meetings of the Local Union, but not to exceed fifty percent

(50%), during the twenty-four (24) consecutive months prior to nomination. In the instance where a Local Union adopts the International Constitution and Bylaws as its Bylaws, it shall be presumed that the Local Union has adopted the above-stated requirement of fifty percent (50%) minimum attendance as a qualification for office.

(2). To be eligible for election to any office in a Local Union, a member must have complied with the requirements of Section 4 (a) (1) and in addition must have worked for a period of two (2) years as a member under the jurisdiction of the Local Union in which he is seeking office; provided, however, that the General Executive Board, upon good cause shown, may waive the requirement of having worked under the jurisdiction of the Local for the two (2) year period.

(3). To be eligible for office in the International Union, or a subordinate body other than a Local Union, a member must have complied with the requirements of Section 4 (a) (1) and in addition must be or have been an officer, organizer or Business Agent of the International Union or a Local Union thereof; provided, however, that an officer of a Local Union chartered less than twenty-four (24) months, unless chartered as a result of split-off or merger, shall not be eligible for office in the International Union.

(4). The requirement of continuous good standing and working in the jurisdiction and the obliga-

ART. II, SEC. 4

tion to take a transfer card or an honorable withdrawal card as provided in this Constitution shall not be applicable to any officer or employee during a leave of absence granted to such officer or employee with the approval of the Local Union Executive Board.

(b). In newly chartered Local Unions which have been in existence for less than twenty-four (24) months, a candidate for Local Union office must be a member and in continuous good standing in such Local Union and must have worked under its jurisdiction as a member for at least half of the period of time since the Local Union was separately chartered by the International Union.

(c). In newly chartered Local Unions, chartered as a result of split-off or merger, a candidate must be a member of the newly chartered Local Union, must have worked in the jurisdiction for a total period of two (2) years, and for a total period of twenty-four (24) consecutive months prior to nomination must be in continuous good standing on a cumulative basis in the newly chartered Local Union and the Local Union from which the newly chartered Local Union was split off or with which the newly chartered Local Union was merged.

(d). To be eligible for election to any office in a Local Union a member who has been transferred from one Local Union to another Local Union as a result of merger or the dissolution of his former Local Union must have worked for a total period

of two (2) years on a cumulative basis as a member under the jurisdiction of the Local Union in which he is a member and the Local Union from which he has been transferred, and must have been in continuous good standing on a cumulative basis in both Local Unions for a total of twenty-four (24) consecutive months prior to nomination.

(e). The requirement herein of having worked in the jurisdiction as a member shall not be construed to prevent any member holding Local Union office or employed as a full-time organizer for the International Union at the time of the 1952 International Convention from being eligible for subsequent elections to office in a Local Union or election to office in the International Union or any subordinate body or as a delegate to International Conventions.

(f). The eligibility requirements of subparagraphs (a) (1) and (2) of this Section 4 shall apply to members of Local Union Executive Boards, elected Business Agents of Local Unions, delegates to Central Bodies or other subordinate bodies of this International Union, and delegates to all conventions of labor and to the Conventions of the International Brotherhood of Teamsters.

(g). Elected officers of the International Union, Local Unions and other subordinate bodies shall be delegates to other subordinate bodies, Conventions of the International Brotherhood of Teamsters, and all other conventions by virtue of their

ART. III, SEC. 1

office and in accordance with applicable provisions of this Constitution and the Bylaws of such other subordinate bodies.

(h). The General Executive Board, upon good cause shown, may waive any or all the eligibility requirements of this Section 4 in connection with an election being conducted in a Trusteed Local Union as a preliminary step to the release of the Local Union from trusteeship pursuant to the provisions of Article VI, Section 5 (f).

ARTICLE III

CONVENTION AND REPRESENTATION

Conventions

Section 1. The International Convention shall be the supreme governing authority of the International Union and shall have the plenary power to regulate and direct the policies, affairs and organization of the International Union.

The Convention of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America shall be held every five (5) years at such time and place as may be designated by the General Executive Board upon the recommendation of the General President. The General Secretary-Treasurer shall issue a call for the Convention not less than ninety (90) calendar days prior to the date of meeting, unless otherwise directed by the General Executive Board. In the event of

an emergency as determined by the General Executive Board which prevents the holding of a Convention in accordance with the provisions herein set forth, the same shall be held as soon thereafter as possible, in accordance with the intent and spirit of this Constitution.

Basis of Representation

Section 2. Each Local Union having one thousand (1000) members or less shall be entitled to one (1) delegate and one (1) delegate for each additional seven hundred fifty (750) members or major fraction thereof, but in no case shall a delegate have more than one (1) vote, even though he may also be a delegate from the International Union or from more than one subordinate body. No proxy vote will be allowed. (See also Article VII, Section 5.)

Requisites for Representation

Section 3 (a). Except as provided in Section 3 (c), no Local Union shall be entitled to representation in the Convention that has not been chartered, affiliated and in good standing for a total of six (6) months prior to the opening of the Convention.

(b). No Local Union shall be entitled to representation in the Convention which at the time of the call of the Convention is six (6) months or more in arrears in moneys due to the International Union or to any subordinate body thereof with which such Local Union is affiliated, or which, if less than six (6) months in arrears, has not paid

ART. III, SECS. 4-5

all such arrearages in full at least three (3) days prior to the opening of the Convention, excepting those moneys due for the last month, which amounts must be paid by the beginning of the Convention. If the circumstances warrant, the General Executive Board may waive any of the foregoing requirements.

(c). The General Executive Board is empowered to grant full representation to any Local Union which has been affiliated with the International Union for less than six (6) months when such Local Union was formerly an independent Local Union or was formerly affiliated with an international union other than the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, or was chartered as a result of split-off or merger.

Expenses of Delegates

Section 4. Each subordinate body shall pay the expenses of its delegates to the International Convention or may make arrangements for such payment of expense by agreement with other subordinate bodies.

Election of Delegates and Alternates

Section 5 (a) (1). All officers and Business Agents elected in accordance with Article XXII shall by virtue of such election be delegates to any International Convention which may take place during their term of office. If at the time of the receipt of the Convention Call it shall appear that

such number of elected officers and/or elected Business Agents (if any) is less than the number of delegates which the Local Union will be entitled to at an International Convention, then arrangements shall be made for nomination and secret ballot election of an additional number of eligible members as Convention delegates. The Local Union Executive Board shall determine in all instances how many alternate delegates shall be designated, and this determination shall not be subject to membership disapproval. Where the election of additional delegates and/or alternates is required in the application of the above provisions, said alternates shall be separately nominated and elected and no eligible member shall be nominated for both delegate and alternate. To the extent that the Local Union sends additional delegates, they shall be selected in the descending order of the votes received, starting with the candidate receiving the highest number. The alternate receiving the highest number of votes shall be the first alternate and shall be entitled to substitute for any delegate unable to attend the Convention; the alternate receiving the second highest number of votes shall be the second alternate and so forth.

(2). If the total number of officers and elected Business Agents (if any) is greater than the number which the Local Union is permitted to send to the Convention, then the Local Union Executive Board shall designate from among such elected officers and elected Business Agents (if any) those

ART. III, SEC. 5

who are to attend as delegates and alternates, and this designation shall not be subject to membership disapproval.

(b). The designation of Convention delegates by the Local Union Executive Board as provided in Section 5 (a) shall be made during the period from the receipt by the Local Union of the Convention Call up to the thirtieth (30th) day preceding the first day of the Convention. In the event of disability of a delegate to attend the Convention, the Executive Board of the Local Union may designate a substitute from the alternate delegates provided for above.

(c). Each delegate or alternate must meet the same eligibility requirements as are imposed for election to Local Union office. This, however, must not be construed so as to bar the eligibility of salaried officers of Local Unions or officers of the International Union. All International officers, organizers, and auditors who have worked continuously for one (1) year or more shall be entitled to all the privileges of regularly credentialed delegates, but shall not be permitted to vote for officers unless they have been elected by secret ballot, or unless they are permitted by law to do so; provided that this shall not be construed to make eligible for International office any organizer or auditor who is not otherwise eligible through having worked within the jurisdiction for such a length of time as

to have made him eligible for International office as provided in this Constitution.

(d). All secret ballot elections required by this Section shall be in compliance with applicable law relating to the nomination and election of Local Union officers.

(e). Joint Councils and State and Area Conferences are entitled to one (1) delegate each, to be selected by the Executive Board of the Joint Council or Policy Committee of the Conference from officers elected by secret ballot as provided in Article III, Section 5 (a).

Credentials

Section 6 (a). Upon receipt of the Convention Call and after the designation or election of delegates or alternates, if required, the Secretary-Treasurer of each Local Union shall forward the names of the delegates and alternates and a photostat of the ledger card showing their record of dues payment to the General Secretary-Treasurer. Each delegate shall present his credentials properly signed by the President or Secretary-Treasurer or, if both are unavailable, by any elected officer. He shall also present evidence establishing that he is a member in good standing and entitled to a seat in the Convention. The General Secretary-Treasurer shall publish a list of delegates at such time as it appears practicable to him to do so.

ART. III, SEC. 7

(b). All credentials and ledger cards must be in the Office of the General Secretary-Treasurer thirty (30) days prior to the opening of the Convention.

Credentials Committee

Section 7 (a). The General President shall, preceding each Convention, appoint from the delegates-elect a committee of not less than seven (7) to act as a Credentials Committee. Said Committee shall meet at the place of holding the Convention five (5) days prior to the opening of the Convention. The General President or his representative and General Secretary-Treasurer shall also be members of said Committee. To this Committee shall be referred all credentials. This Committee shall have a partial or complete report in writing ready for the Convention when it opens. All hearings of the Credentials Committee shall be held in the Convention city.

(b). It shall be the duty of the Credentials Committee to examine credentials and to make the initial decision on challenges. It shall be presumed that all delegates who have submitted credentials in the form required to the General Secretary-Treasurer or to the Credentials Committee have been properly selected as delegates from their subordinate body, and such delegates may vote upon the acceptance or rejection of the Credentials Committee's report, in whole or in part, and on other matters which come before the Conven-

tion. Only those delegates who are present and seated at the time the report of the Credentials Committee is submitted may vote upon the acceptance or the rejection of such report.

(c). The appointed members shall receive as compensation for their extra services such expenses and remuneration as the General Executive Board may determine.

Constitution and Other Committees

Section 8. The General President is authorized to appoint from the membership a Constitution Committee which shall prepare proposed amendments to the International Constitution for submission to the Convention. The General President at his discretion is also authorized to appoint such other committees from the membership as he may determine will facilitate the work of the Convention. The appointed members shall receive as compensation for their extra services such expenses and remuneration as the General Executive Board may determine.

Amendments to Constitution; Resolutions

Section 9 (a). Thirty (30) days prior to each Convention, Local Unions, Local Union officers, members in good standing, or the general officers shall have the right to send to the General President proposed amendments or additions to the Constitution, or resolutions, which shall be submitted to the Constitution Committee when it meets. This

ART. III, SEC. 9

shall not deprive delegates to the Convention of their right to propose amendments or additions to the Constitution during the Convention or to submit resolutions or amend resolutions during the Convention in accordance with the rules governing the Convention. However, in all instances a proposed amendment or addition to the Constitution, or a resolution or amendment to a resolution shall be referred to the Constitution Committee.

(b). Amendments to the Constitution and all other action of the Convention shall be adopted by a majority vote of the delegates present, seated and voting at the time of submission of the amendment or other proposed action to the Convention. Amendments shall become effective immediately upon their adoption unless otherwise specified in any particular amendment adopted by the Convention.

(c). The General Executive Board shall have the power, following Convention adoption of amendments to this Constitution, but prior to printing thereof, to make such typographical, grammatical, and punctuation corrections, rearrangements and renumbering of articles and sections, or otherwise, including the supplying or remedying of inadvertent omissions or errors, as are necessary to carry out the spirit and intent of any amendments so adopted.

(d). The General President shall determine and may change the order of business at the Convention at any time.

(e). The time within which certain actions must be taken as set forth in this Article, other than the time of holding the International Convention, may be waived by the General President and General Secretary-Treasurer upon good cause shown, with a right of appeal to the General Executive Board.

Quorum

Section 10. A quorum shall consist of the delegates present and seated at any session of the Convention. A session of the Convention is the period following the call to order in the morning until the luncheon recess or the period following the luncheon recess to adjournment for dinner or the period following the dinner recess, as the case may be.

ARTICLE IV

OFFICERS, DELEGATES AND ELECTIONS

International Officers

Section 1 (a). The officers of the International Brotherhood of Teamsters shall consist of a General President, General Secretary-Treasurer, General Vice President, twelve (12) Vice Presidents, and three (3) Trustees. The General President, the General Secretary-Treasurer, the General Vice President and the twelve (12) Vice Presidents shall constitute the General Executive Board.

ART. IV, SEC. 2

(b). Vice Presidents, other than the General Vice President, shall be known as First, Second, Third, etc., in accordance with their seniority on the General Executive Board.

(c). Not more than one (1) Vice President from any one (1) state, Canadian province or similar governmental subdivision of another country can be elected to hold or appointed to a position entitling him to a seat on the General Executive Board, provided that this provision shall not disqualify any member of the General Executive Board as of the 1961 Convention from continuing in such position and from eligibility for re-election at the 1961 and subsequent Conventions. The officers of the International Union shall as nearly as practicable be uniformly distributed throughout the entire country. The provisions of this subsection shall not apply to the office of General Vice President.

(d). The term of office of all International Union officers shall be five (5) years, or the interval between regular Conventions, whichever is the longer, and until their successor is qualified and sworn, subject however to the provisions of Article IX, Section 8.

Election of Officers

Section 2. All nominations for International offices shall be made in open Convention and elections shall be by roll call where there is more than one (1) candidate for any office. No roll call vote shall

be necessary where there is only one (1) candidate for such office, and such candidate shall be declared elected. It shall require a plurality of all votes cast to constitute an election. This shall not apply to Trustees, but in their election each delegate must vote for three (3) candidates for Trustees and the three (3) candidates receiving the highest number of votes shall be declared elected. No roll call vote shall be necessary where only three (3) candidates are nominated for Trustees, and the three (3) candidates shall be declared elected.

Candidates must accept nomination in person at the time made or, if absent, by written acceptance filed with the General Secretary-Treasurer one day prior to nominations, and a candidate may accept nomination for one International Union office only.

All officers shall be installed on the last day of the Convention and assume their official duties immediately following the adjournment of the Convention.

**Delegates to Conventions and Meetings;
Expenses; Unit Rule**

Section 3. All delegates representing the International Union at conventions or meetings of any other labor organization or federation of labor organizations, national or international, shall be appointed by the General President and shall perform such functions as the General President may prescribe.

ART. V, SEC. 1

All expenses and allowances of the above delegates shall be paid by the International Union, the amount to be determined by the General President.

The unit rule shall prevail in all votes cast among the delegates representing the International Union at such conventions and meetings.

ARTICLE V

Salaries and Expenses of Officers

Section 1 (a). The salary of the General President shall be one hundred thousand dollars (\$100,000.00) per year; the salary of the General Secretary-Treasurer shall be seventy-five thousand dollars (\$75,000.00) per year. All expenses of the General President and the General Secretary-Treasurer shall be paid by the International Union.

The salary and expenses of the General Vice President in connection with his duties in that capacity shall be determined by the General President subject to the approval of the General Executive Board.

(b). The Vice Presidents, other than Vice Presidents who are full-time organizers, shall receive a salary of one thousand five hundred dollars (\$1,500.00) per month as compensation for attending board meetings and for representing the interests of the International Union. The three (3) Trustees, if not full-time organizers, shall receive a salary of nine hundred dollars (\$900.00) per month as com-

pensation for performing their duties as Trustees and for representing the interests of the International Union. When engaged in other duties under orders from the General President, the Vice Presidents and Trustees who are not full-time organizers shall, in addition, receive the same pro rata salary as organizers, but in no event shall their salary from the International Union exceed twenty-five thousand dollars (\$25,000.00) per year.

The provisions for compensation and allowances contained in this entire Article shall be in addition to any compensation and allowances which may be received from subordinate bodies.

(c). The person holding the position of Executive Assistant to the General President while working under orders of the General President shall be paid a salary, allowances and expenses fixed by the General President.

(d). International or Special Organizers shall be appointed by the General President and while working under his orders shall be paid a sum fixed by the General President not to exceed twenty-five thousand dollars (\$25,000.00) per year.

(e). The Vice Presidents, Trustees, executive officers and the Organizers of the International Union, except as otherwise provided herein shall be allowed seven dollars and fifty cents (\$7.50) per diem as an incidental allowance. All organizers other than Special Organizers shall be allowed the sum of two hundred dollars (\$200.00) per month

ART. V, SEC. 2

as an automobile allowance. All executive officers, organizers and others working outside of their home city, or when traveling in the interest of the organization, shall receive their fare in addition to the above-named sum to and from their destination, and in addition shall receive a sum of twenty-five dollars (\$25.00) per diem. On special assignments, allowances, per diems and expenses shall be as determined by the General President.

(f). The salaries, allowances and expenses of International and Special Organizers and the International Directors of Area Conferences shall be determined by the General President.

(g). All salaries of, or powers to establish them for, general officers shall be determined by the Convention prior to the election of officers. The General Executive Board, except as may otherwise be provided herein, shall have the authority to fix salaries, allowances and expenses of all officers, employees and representatives and allowances for general officers.

The General Executive Board may provide such accommodations by purchase, lease or otherwise, as it believes desirable for the housing of officers and employees while on official union business and require the use thereof.

Travel Provisions

Section 2. The General President, for the purpose of promoting the interests and welfare of the Inter-

national Union and the making of diplomatic contacts with other organizations and institutions, and for the purpose of conserving his health, may at his discretion travel in this country or, with the approval of the General Executive Board, abroad, and may take periodic rests. The General Executive Board shall provide for all expenses and allowances of the General President when performing the services mentioned herein or when taking periodic rests; the said expenses and allowances shall include travel in this country and abroad, the full and complete maintenance of his wife so that she can accompany the General President, and all secretarial help and services which he deems necessary while so engaged. The expenses and allowances provided for herein are in addition to all other constitutional compensation and allowances.

All the provisions of this Section shall be applicable to the General Secretary-Treasurer.

ARTICLE VI

GENERAL PRESIDENT—DUTIES AND POWERS

General Duties

Section 1 (a). The General President shall preside at the Convention of the International Brotherhood of Teamsters and conduct the same in conformity with this Constitution. He shall have the deciding vote in case of a tie on any question that

ART. VI, SEC. 1

is being voted on by the Convention. He shall act to the best of his ability in furthering the interests of the organization. He shall fill any vacancy among the officers of the International Union, subject to the approval of the majority of the General Executive Board.

(b). The General President shall have general supervision over the affairs of the International Union, which shall be conducted in accordance with the Constitution and subject at all times to review and approval of the General Executive Board.

(c). The General President and the other general officers may hold office in subordinate bodies and render services thereto.

(d). The General President may accept a call to serve by the government of the United States; and if such call is made and he believes that it is in the best interests of the International Union to accept, his position and remuneration as now outlined in the Constitution shall not be interfered with and shall continue.

(e). The General President may, without the approval of the General Executive Board, appoint a member of the International Union as Executive Assistant to the General President, who shall receive a salary for the term of his appointment as set forth in Article V, Section 1 (c).

(f). The General President may appoint and designate a Personal Representative who shall act on

behalf of the General President as the General President may determine, including the right to attend meetings of any subordinate body of the International Union.

(g). The General President shall be empowered to appoint and fix the salaries of one (1) or more Assistants to the General President to carry on his work if he deems it necessary.

(h). The General President shall have the authority at his discretion to direct that a referendum vote, or a vote by membership in meeting assembled, be held by the membership of any Local Union or subordinate body or the membership in any division or craft of any Local Union or subordinate body or the membership at any place of employment or under any specific contract or on any other similar basis on any matter, issue or proposition when, in his opinion, the welfare of such membership or the subordinate body or the Local Union or the International Union will be served thereby.

Judicial Powers

Section 2 (a). The General President shall have authority to interpret the Constitution and laws of the International Union and to decide all questions of law thereunder between meetings of the General Executive Board, and shall have authority, unless some other procedure is expressly provided in this Constitution, to settle and determine all grievances

ART. VI, SEC. 3

and disputes submitted to him by Joint Councils, Local Unions and other subordinate bodies or members, between meetings of the General Executive Board, all subject to appeal to the General Executive Board, and, thereafter to the next Convention in the manner and to the extent prescribed in this Constitution. When any action is taken as provided herein between meetings of the General Executive Board such action shall be reported to the next meeting of the General Executive Board for its approval, reversal or modification, if an appeal has been taken.

(b). When the General President makes a decision or orders a subordinate body to observe the laws, and the subordinate body refuses, the subordinate body shall be subject to suspension or revocation of charter by the General Executive Board or imposition of Trusteeship by the General President. This provision shall also apply to decisions and orders of the General Executive Board.

If an employer offers to arbitrate, it shall be optional with the Local Union to accept or reject such arbitration. However, if the

Local Union rejects arbitration and the matter is brought to the attention of the General President, he shall ask the officers or representatives of the Local Union to appear before him or his representative or in some other manner to explain their reasons for refusal. If the General President is satisfied that the Local Union is not justified in refusing arbitration, then the General President shall submit the matter to the General Executive Board, and if the General Executive Board is of the opinion that the Local Union should arbitrate, it may so decide; whereupon the Local Union shall proceed to carry out the decision of the General Executive Board.

Approval of Bylaws of Local Unions

Section 4 (a). Bylaws of Local Unions and other subordinate bodies and amendments thereto shall be subject to the approval of the General President. If the General President fails to approve the Bylaws, the matter may be referred by the subordinate body to the General Executive Board for its determination.

(b). Local Unions shall not adopt Bylaws or take any action which would impair their ability to meet their financial obligations to the International Union and its subordinate bodies or interfere with the discharge of their obligations to their members in the negotiation and administration of collective bargaining agreements and in conducting the affairs of the Local Union as a solvent organization.

ART. VI, SEC. 5

Power of General President to Appoint Trustees; Duties and Obligations of Local Unions Under Trusteeship

Section 5 (a). If the General President has or receives information which leads him to believe that any of the officers of a Local Union or other subordinate body are dishonest or incompetent, or that such organization is not being conducted in accordance with the Constitution and laws of the International Union or for the benefit of the membership, or is being conducted in such a manner as to jeopardize the interests of the International Union, or its subordinate bodies or if the General President believes that such action is necessary for the purpose of correcting corruption or financial malpractice, assuring the performance of collective bargaining agreements or other duties of a bargaining representative, restoring democratic procedures or preventing any action which is disruptive of or interferes with the performance or obligations of other members or Local Unions under collective bargaining agreements, or otherwise carrying out legitimate objects of the subordinate body, he may appoint a temporary Trustee to take charge and control of the affairs of such Local Union or other subordinate body; provided, however, that before the appointment of such temporary Trustee, the General President shall set a time and place for a hearing for the purpose of determining whether such temporary Trustee shall be appointed, and further provided

that where, in the judgment of the General President, an emergency situation exists within the Local Union or other subordinate body, the temporary Trustee may be appointed prior to such hearing, but such hearing shall then commence within thirty (30) days and decision made within sixty (60) days after the appointment of such temporary Trustee; and further provided that in all cases the Local Union or other subordinate body shall be advised of the reason for the appointment. Adequate notice at least ten (10) days prior to the date of the hearing shall be given to the Local Union or other subordinate body involved. In the case of all hearings conducted prior to, or after the establishment of a Trusteeship, the General President shall designate a panel comprised of at least one (1) International Union Vice President and one (1) disinterested member of the International Brotherhood of Teamsters from the area involved. The General President may, at his discretion, appoint an employee of the International Union to such panel. Such representatives shall make their recommendations to the General President orally or in writing within thirty (30) days after the furnishing of the transcript of testimony, and the decision in the case shall be made by the General President himself, which decision shall be made within ten (10) days after such recommendations are received by him, and the decision shall be promptly transmitted to the Local Union or other subordinate body. Appeals, if any, from determinations following such hearings shall be taken

ART. VI, SEC. 5

directly to the General Executive Board. Appeals, if any, from the decision of the General Executive Board shall be taken to the Convention by only the Local Union or subordinate body affected. Procedures on appeals under this Section, insofar as is consistent with this Section, shall be governed by the provisions of Article XIX. The International Union shall not be responsible for any actions or activities of a Local Union or other subordinate body under Trusteeship unless such actions or activities have been directed or authorized by the Trustee.

The General Executive Board may modify or add to the procedures established herein for the purpose of assuring compliance with any applicable law.

(b). The Trustee shall be authorized and empowered to take full charge of the affairs of the Local Union or other subordinate body, to remove any or all officers and appoint temporary officers at any time during his Trusteeship, and to take such other action as in his judgment is necessary for the preservation of the Local Union or other subordinate body and its interests. The terms of office of officers so removed shall terminate as of the date of removal, unless otherwise absolved. The Trustee shall report from time to time on the affairs and transactions of the Local Union or other subordinate body to the General President. His acts shall be subject to the supervision of the General President. The General

President may remove Trustees at any time and may appoint successor Trustees.

(c). The removed officers shall turn over all moneys, books and properties of the Local Union or other subordinate body to the Trustee, who must receipt for the same.

(d). Temporary officers and Trustees must be members in good standing of Local Unions in good standing. They must give bonds for the faithful discharge of their duties, satisfactory to whoever appointed them, which shall not be less than the amount of money they are apt to handle.

(e). The Trustee shall take possession of all the funds, books, papers and other property of the Local Union or other subordinate body and tender a receipt for same. He shall pay all outstanding claims, properly proved, if funds are sufficient. If the funds are not sufficient he shall settle the most worthy claims, as his judgment dictates, unless otherwise provided for in this Constitution. In the event the charter of the Local Union or other subordinate body is suspended or revoked, all its funds, books, papers and other properties shall be forwarded to the General Secretary-Treasurer, who shall hold them for the purpose of reorganization. If no reorganization occurs within a period of two (2) years, such funds shall be transferred to the general fund.

(f). In all cases of Trusteeships, the Trustee shall make a report to the General President at intervals

ART. VI, SEC. 5

of no more than every six (6) months, which report shall contain his recommendations with respect to whether the Trusteeship shall be continued or terminated.

The first (1st) such report shall be made within six (6) months after the date of the decision following the hearing on the appointment of a Trustee.

Additionally, the Local Union, or other subordinate body in regular or special membership meeting, by a majority vote, may petition the General President for the restoration of self-government, provided that no such petition shall be presented at intervals of less than six (6) months starting with the date of the decision following the first hearing on the appointment of the Trustee.

When a Local Union or other subordinate body petitions for restoration of self-government as herein provided, it shall be accorded a hearing which shall be commenced within thirty (30) days and decision made within sixty (60) days after the receipt of the petition, which hearing shall be held in the same manner as provided in Section 5 (a) of this Article relative to hearings on initial appointment of Trustees.

When it is determined by the General President or the General Executive Board that self-government be restored, the Trustee shall direct an election at such time as he may designate, any other provision of this Constitution or Local Union rules or Bylaws to the contrary notwithstanding. The

Trustee shall not install the officers elected at such election until directed to do so by the General President. Upon such installation the Trusteeship shall terminate and the Trustee shall return all remaining funds, property, books and papers to the appropriate officers of the Local Union or other subordinate body. Subsequent to the release of the Local from Trusteeship a terminal audit shall be prepared. The term of office of the newly elected officers shall be for not more than three (3) years in the case of a Local Union, or four (4) years in the case of any other subordinate body, and the next election for officers shall take place in compliance with the provisions of Article XXII, Section 4 in the November or December closest to and preceding the expiration of the three-year or four-year period, as the case may be, following the initial election.

A copy of the Journal shall be sent directly to each member in accordance with Article XXIII, Section 6. Copies may be sent to any person, organization or institution at the discretion of the General President. The General President shall be empowered to employ such help as he may need to carry on this work.

Vacancy in Office of President

Section 8. The General Vice President shall assume the office, duties and salary of the General President in case of the death, resignation or removal of that officer under the procedures established and required by this Constitution for the balance of the term. The Office of General Vice President shall thereafter be left vacant. If the General Vice President shall thereafter while occupying the Office of General President be unable to continue in office because of death, resignation or removal under the procedures established and required by this Constitution, the First Vice President shall, without additional compensation, assume the duties of the General President until such time as a Special Convention shall elect a General President and a General Vice President who shall hold office for the balance of the unexpired term. The First Vice President, within five (5) days after assumption

of the duties of the General President, shall convene the General Executive Board for the purpose of calling such Special Convention, which shall take place within sixty (60) days thereafter. If it is determined by the General Executive Board that the First Vice President because of physical infirmity is not capable of proceeding as above set forth, the General Executive Board shall designate another Vice President to perform the duties set forth above. The General Executive Board shall establish the rules and procedures for the calling and holding of such Special Convention. However, if the vacancy occurs within twelve (12) months of the next regular Convention, then instead of a Special Convention the regular Convention shall be convened at the earliest possible date.

Affiliation with, and the issuance of a charter by, the International Union and compliance with all the provisions and requirements of this International Constitution are in no way conditioned upon the affiliation or non-affiliation of the International Union with any other organization either at the time of the issuance of a charter or subsequent thereto.

Charter Contract

The General Executive Board shall have the authority to change the jurisdiction granted or set forth in the Charter at any time in its sole discretion.

ART. VII, SEC. 3

Where it is not possible to hold the Convention at the time prescribed by Article III, Section 1, because of an emergency, the additional per capita tax payments involved shall be taken into consideration in computing the average monthly membership for the determination of the number of delegates to which the Local Union shall be entitled. (See also Article III, Section 2.)

Finances

Section 6 (a). The General Secretary-Treasurer shall receive moneys due from all sources and in the case of subordinate bodies shall give his receipt therefor. Such review of the books of the General Secretary-Treasurer shall include the books respecting all properties and facilities under the custodianship of the General Secretary-Treasurer. its suspension, all privileges of the International Union.

Power to Debar From Membership

Section 4 (a). In the case of the revocation or forfeiture of a charter of a Local Union the members thereof, without loss of continuous good standing, may be transferred to another Local Union in the area or such Local Union may be reorganized and such members may be transferred thereto. Upon such transfer the General Executive Board shall have the power, following a hearing, to exclude from membership in the new Local Union persons who were in any way responsible for the revocation or forfeiture of the charter or who the General Executive Board has reason to believe are disloyal to the International Union or who may cause disruption in the newly organized Local Union.

(b). With respect to new applicants to any Local Union, the General Executive Board shall have power to deny membership in the International Union to any such applicant when it believes the interest of a Local Union or the International Union will be best served by so doing.

Such action so taken by the majority of the members of the General Executive Board shall constitute action of the General Executive Board as though the General Executive Board were in formal session; provided, however, that any such action shall be confirmed at the next formal session of the General Executive Board.

ART. IX, SECS. 12-13

The General Executive Board in its discretion shall have the power to merge Local Unions and other subordinate bodies under such terms and conditions and subject to such qualifications as the General Executive Board may determine, taking into consideration such circumstances as financial conditions, jurisdiction, location, and such other factors as appear appropriate in connection with the Local Unions and other subordinate bodies involved.

In this connection the General Executive Board may, in its discretion, conduct a referendum vote among all of the members of the Local Union or subordinate body, or of the members in any division, craft or place of employment, or under any specific contract or on other similar basis as the General Executive Board may determine. The result of such referendum, if conducted, shall be advisory only.

The General Executive Board shall also have full power and exclusive authority to enter into agreements and arrangements in behalf of the International Union for the purpose of effectuating the affiliation of the International Union or its coordination with any other national or international organization or federation of labor organizations, committees or multi-union conferences and also for the purpose of creating and/or participating in any federation of labor organizations.

The General Executive Board shall also have the right to assign from time to time any International officer to act on its behalf with respect to all marks, labels and other insignia. EXAMINATION AND AUDITS OF
SUBORDINATE BODIES, AND

Section 1. The normal operating income of the International Brotherhood of Teamsters shall be derived as follows:

(a). Charter fee, which includes charter, seal and all other organization supplies, twenty-five dollars (\$25.00).

(b). Sale of other supplies.

(c). Initiation and reinitiation fees and per capita tax.

Assessments For Emergencies

Section 2. Whenever the assets of the International Union, except the Washington, D. C. real properties, run below twenty million dollars (\$20,000,000.00) the General Executive Board shall levy an assessment of one dollar (\$1.00) per member per month on all Local Unions, until such assets reach twenty-five million dollars (\$25,000,000.00). Any Local Union failing to pay the assessment shall not be entitled to any of the benefits of the International Union. After being properly notified and given a reasonable length of time, if the Local

Union further refuses to pay the assessment, said Local Union shall be suspended. Any Local Union failing to pay the assessment shall not be represented at the International Convention.

**Payment of Initiation Fees, Reinitiation
Fees and Per Capita Tax**

Section 3 (a). Each Local Union shall pay to the General Secretary-Treasurer the sum of two dollars and fifty cents (\$2.50) for every initiation fee or reinitiation fee collected.

(b). Each Local Union shall pay to the General Secretary-Treasurer a per capita tax of one dollar and fifty cents (\$1.50) per month, payable for the current month not later than the twentieth (20th) day of the succeeding month unless otherwise determined by the General Executive Board in extreme hardship cases.

The present one dollar (\$1.00) per capita tax shall continue through September, 1966, payable in October, 1966, and the per capita tax of one dollar and fifty cents (\$1.50) shall become effective October 1, 1966, payable for the month of October in November unless otherwise determined by the General Executive Board as above provided.

Per capita tax must be paid not only on dues-paying members but also on all persons paying agency shop fees, periodic service fees and hiring hall fees to the Local Union.

ART. X, SEC. 3

Persistent failure of a Local Union to comply with this subsection shall subject the Local Union to charges by the General Executive Board only.

(c). The General Secretary-Treasurer shall receipt for all initiation fees and per capita tax.

(d). Dues of members of the International Union, payable through their respective Local Unions, shall not be less than six dollars (\$6.00) per month; provided, however, that the General Executive Board shall have the authority to reduce the foregoing minimum in extreme hardship cases. All dues, whether below, at, or above the minimum of six dollars (\$6.00) per month shall be increased by no less than one dollar (\$1.00) per month no later than October 1, 1966, unless otherwise determined by the General Executive Board in extreme hardship cases. In the case of Local Unions chartered after the 1966 Convention, unless otherwise approved by the General Executive Board, the dues of the members of such Local Unions shall not be less than five dollars (\$5.00) for the first (1st) year following such chartering and thereafter the six dollars (\$6.00) minimum shall apply.

In the event that the provisions relating to increased revenue adopted by the 1966 Convention cannot be effectuated, the General Executive Board shall have the authority from time to time to amend, modify or defer the provisions of this Constitution relating to the increase of fifty cents (50¢) reflected in the new per capita tax of one dollar and fifty cents (\$1.50); provided, however, that the

General Executive Board shall not be authorized by this provision to increase dues or per capita taxes to an amount greater than the six dollars (\$6.00) minimum dues and the one dollar and fifty cents (\$1.50) per capita tax set forth above.

The provisions of the first paragraph of Section 3 (d) shall become effective October 1, 1966.

(e). Area Conferences shall be financed by the payment of a monthly five cent (5¢) per capita tax by the International Union to the Area Conference. Local Unions affiliated with Area Conferences shall pay a minimum of ten cents (10¢) per month per member to their respective Area Conferences.

Preferred Payment of Per Capita Tax

Section 4. All per capita tax due the International Union and chartered subordinate bodies shall have priority over any other bills or obligations of the Local Union. The order of priority shall be as follows: (1) International Union; (2) Area Conferences; (3) Joint Councils; (4) State Conferences; (5) other chartered subordinate bodies.

Payment of Dues and Fees and Receipt Therefor

Section 5 (a). Any member paying his initiation fee, monthly dues, or reinitiation fees shall be given a receipt by the Local Union in a manner prescribed by the General Secretary-Treasurer as approved by the General Executive Board.

ART. X, SEC. 5

(b). Every member when requested to do so by a proper representative of the International Union or subordinate body shall be required to present evidence establishing membership in good standing.

(c). All members paying dues to Local Unions must pay them on or before the last business day of the current month. Payment within the meaning of this Section shall mean receipt by the Local Union. Any member failing to pay his dues at such time shall not be in good standing for such month, but may restore such good standing for such month for the purpose of attending meetings, nominating, voting and participating in affairs of the Local Union by the payment of his delinquent dues prior to said meeting. Payment of such dues after their due date shall not restore good standing status for such month or months in computing the continuous good standing status required by Article II, Section 4 of this Constitution as a condition of eligibility for office. Any member who shall be three (3) months in arrears in the payment of dues, fines, assessments, or other charges, shall automatically stand suspended at the end of the third (3rd) month, and shall not be entitled to any rights or privileges as a member of the Local Union or International Union. Local Unions may provide suspension, expulsion or other penalty for a lesser period of arrearages. Any member who has been automatically suspended for failure to pay dues shall be under a continuing obligation to pay dues during the period

of his suspension. In addition to requiring the payment of delinquent dues, the Local Union may adopt a bylaw provision requiring the payment of a reinitiation fee for entitlement to the rights and privileges of membership. The Local Union may also adopt a bylaw provision granting to the Local Union Executive Board the power to waive on a nondiscriminatory basis the payment of delinquent dues and/or reinitiation fees for good cause shown. Per capita tax shall be paid on all delinquent dues collected.

(d). A Local Union may provide in its Bylaws for the payment of quarterly dues, provided such Bylaws are approved by the General President of the International Union. In any instance where a Local Union has provided for the payment of quarterly dues under this Section, any members thereof failing to pay such quarterly dues in accordance with such provisions shall not be considered in good standing.

(e). No other system of receipting for initiation fees, monthly dues or reinitiation fees will be recognized by the International Union.

(f). A Local Union by bylaw amendment may waive the obligation of shop stewards to pay dues, provided that the waiver shall in no way affect the eligibility of such shop stewards to run for office or their entitlement to any other rights or benefits, and further provided that per capita taxes due to the International Union and subordinate bodies shall be paid by the Local Union.

Orders for Supplies

Section 6. All payments of fees and orders for supplies must be made on the regular official remittance statement and supply order blank and all money sent to the General Secretary-Treasurer must be sent by Local Union or cashier's check, or post office or express money order.

Bonding

Section 7 (a). All officers, Business Agents and others who handle funds and property of subordinate bodies shall be suitably bonded. The original bonds shall be retained in the files of the subordinate bodies, and copies shall be promptly forwarded to the office of the General Secretary-Treasurer. The General Secretary-Treasurer may direct an increase or decrease in the amount of bonds when he deems it necessary or advisable.

(b). The General President or the General Executive Board is empowered to suspend or revoke the charter of any affiliate or to place any affiliate in Trusteeship for failure to comply with the provisions of this Section.

Filing of Monthly Reports by Local Union Trustees

Section 8 (a). If a Local Union has not provided for the payment of quarterly dues by a majority of its members, the books of the Local Union must be examined monthly by the Local Union Trustees

and the Trustees shall make a monthly report of such examination on forms prescribed by the General Secretary-Treasurer. If a Local Union has provided for the payment of quarterly dues by a majority of its members, the books of the Local Union must be examined at least quarterly by the Local Union Trustees, who shall make a quarterly report of such examination on forms prescribed by the General Secretary-Treasurer. The reports shall be forwarded to the office of the General Secretary-Treasurer by the Local Union Secretary-Treasurer and copies of the reports shall be maintained for the period of time required by law.

The Trustees must sign the books of the Local Union if the Trustees have found them correct and the bank balances verified. In the event that a Trustee declines to sign the books, the Trustee must state in writing to the Local Union Secretary-Treasurer his reasons for declining to do so. In the event of the unavailability of a Local Union Trustee, the remaining Trustees or Trustee shall make the monthly examination of books and the monthly report.

Deposit of Money

Section 9. Subordinate bodies may keep their money deposited in non-interest bearing commercial accounts, savings accounts and safety deposit boxes in the name of the subordinate bodies. The subordinate bodies may also invest in property, real and personal; provided, however, that all investments

ART. X, SEC. 10

will be such as may be made by fiduciaries under the laws of the Commonwealth of Massachusetts. When disbursements of subordinate bodies are made by check, the check shall bear the signature of at least two elective officers in the manner provided by the Bylaws of the subordinate body; when disbursements are made by cash they shall be verified by receipt or other evidence of payment.

Subordinate bodies may provide for direct and indirect loans for such purposes and with such security, if any, as they deem appropriate and with such arrangement for repayment as they deem appropriate.

Audit of Books of Subordinate Bodies

Section 10 (a). The General President or General Secretary-Treasurer at his discretion may cause the audit or examination of the books of any subordinate body at any time to the extent that he may determine, such audit to be conducted by any person so designated.

(b). Officers of a subordinate body shall give for examination to the representative delegated to conduct the audit, all books, bills, receipts, vouchers and records, bonds, securities or other evidences of ownership to property or investments of the subordinate body whenever requested.

(c). Any officer of a subordinate body refusing to turn over the books, bills, vouchers or records to the delegated officer shall be subject to discipline

ART. X, SECS. 11-12

under the provisions of Article XIX, and shall be liable to expulsion by the General Executive Board. (See also Article VII, Section 7.)

(d). If the representative delegated to audit the books discovers any dishonesty or incompetency in the officers which warrants him in notifying the General President and General Secretary-Treasurer, he shall do so and they shall take whatever action they deem advisable. The representatives auditing books shall make a report to the General President and General Secretary-Treasurer and shall have full power to investigate and examine all assets of the subordinate body wherever located including the right to obtain a certified balance sheet from the bank.

Arrearage in Per Capita Tax

Section 11. Where the books of a Local Union have been examined and audited and arrearages to the International Union or to any subordinate body thereof for per capita tax are found, the same must be paid immediately.

Penalty for Arrearage

Section 12. Should a Local Union become six (6) months in arrears for per capita tax to the International Union or any subordinate body, its charter shall be subject to revocation by the General Executive Board. The General Secretary-Treasurer shall notify all Local Unions when two (2) months in arrears, but failure to receive such notice shall not

ART. X, SECS. 13-14

prevent the suspension of the Local Union, should it become three (3) months in arrears.

Return of Funds, Books and Property Upon Revocation or Dissolution

Section 13. When the charter of a subordinate body is revoked, the subordinate body or its officers shall be required to turn over all books, documents, property and funds to the General President or his representative, or to the General Secretary-Treasurer of the International Union, and should a subordinate body secede, disaffiliate, or dissolve or be dissolved, or be suspended, or forfeit its charter, then all books, documents, property and funds shall likewise be turned over to the General President, or his representative, or to the General Secretary-Treasurer to be held until such time as the subordinate body may be reinstated or reorganized. If no reinstatement or reorganization occurs within a period of two (2) years such funds shall be transferred to the general fund. However, in no event shall the International Union without its consent become liable for the obligations of a subordinate body which has seceded, disaffiliated, dissolved or been dissolved, or has been suspended, merged or has forfeited its charter.

Expenses Incurred in Recovering Property and Funds; Reorganization

Section 14. Whenever a subordinate body secedes, disaffiliates, or dissolves, or its charter is suspended or revoked, and demand is made upon

such organization or its officers to deliver to the General President or his authorized representative the records, property and funds of such organization, and such demand is refused, then all expenses, of whatever nature, incurred by the International Union in recovering such records, property and funds, shall be a lawful charge upon the property and funds involved, and on recovery thereof, the International Union shall reimburse itself from the property and funds recovered. All property and funds shall be held by the International Union until reorganization has been effected and shall be returned to the subordinate body when the same has been reorganized. If no reorganization is effected within a two (2) year period, then all properties and funds of such subordinate body shall become the property and funds of the International Union. Reorganization shall be effected by and under the direction of the International Union.

Waiver of Per Capita Tax and Fees

Section 15. In any situation involving new organization, reorganization, new affiliation, merger or revocation of charter the General Executive Board is authorized to waive payment of per capita tax and any other fees owing to the International Union by a subordinate body and any initiation fees, dues or other fees owing to a Local Union by any member prospectively and/or retroactively, whenever the Board determines that such waiver is in the best interest of the International Union.

ARTICLE XI

FINANCE COMMITTEE—DUTIES

Section 1. There shall be a Finance Committee consisting of seven (7) members of the General Executive Board, namely, the General President, the General Secretary-Treasurer, and five (5) Vice Presidents selected by the General Executive Board. A quorum of the Finance Committee shall consist of any five (5) members thereof. The General Executive Board shall have the power to remove any selected member of the Finance Committee by a majority vote. It shall be the general function of the Finance Committee, by majority vote, to pass upon and approve all investments of the funds of the International Union, and no investment of such funds can be made without such approval. It shall, however, be the specific function of the General President and the General Secretary-Treasurer to make all investments of the funds of the International Union, subject to the subsequent approval of the Finance Committee, and the General Secretary-Treasurer shall at all times keep the General Executive Board advised of all such investments.

No more than fifty thousand dollars (\$50,000.00) may be invested in the bonds of, or loaned to, any one (1) corporation or its principal officers or stockholders or its affiliates, directly or indirectly. All investments will be such as may be made by fiduciaries by the laws of the Commonwealth of Massachusetts.

ART. XI, SECS. 2-3—ART. XII

Securities purchased shall be kept in a safety deposit box or boxes or held in safekeeping by a bank or banks approved by the General Executive Board.

Section 2. Each member of the Finance Committee shall be bonded in such sum and in such manner as the General Executive Board shall require.

Section 3. The General Executive Board shall be empowered, when it deems it necessary for the maintenance, protection and preservation of the labor movement, to make loans or advances to other labor organizations in a sum not to exceed in the aggregate three percent (3%) of the total assets of the International Union excluding the Washington, D. C. real properties. No other loan of any nature whatsoever shall be made from funds of the International Union except upon approval of the Finance Committee and the General Executive Board.

ARTICLE XII

STRIKES, LOCKOUTS, WAGE SCALES, DISPUTES OVER JURISDICTION

Strike Action by Local Unions

Section 1 (a). When any difficulty or dispute arises between the members of any Local Union and their employers, it shall be the duty of the

ART. XII, SEC. 1

officers of such Local Union to use every possible means of achieving a settlement or resolution of the difficulty or dispute through the processes of collective bargaining.

(b). Contracts may be accepted by a majority vote of those members involved in negotiations and present and voting, or a majority of such members may direct further negotiations before a final vote on the employer's offer is taken, as directed by the Local Union Executive Board. When, in the judgment of the Local Union Executive Board, an employer has made a final offer of settlement, such offer must be submitted to the involved membership and can be rejected only by a two-thirds (2/3) vote of the members involved in the negotiations and present and voting or responding to a referendum mail ballot. If a settlement cannot be reached, the Local Union Executive Board shall order a secret ballot to be taken and it shall require a two-thirds (2/3) majority of those members of the Local Union involved in such negotiations and present and voting to adopt a motion to strike. The ballot must be "Yes" or "No" written on paper ballots or by approved mechanical device which assures secrecy. In the alternative, the Local Union Executive Board may conduct such strike vote by referendum mail ballot of the membership involved in such negotiations, in which event it shall also require a two-thirds (2/3) majority vote of those responding to the referendum mail ballot to authorize a strike. The failure of such membership to authorize a strike

ART. XII, SEC. 1

upon rejecting the employer's last offer shall require the Local Union Executive Board to accept such last offer or such additional provisions as can be negotiated by it.

A strike may be terminated by a majority vote of the involved members present and voting either by secret ballot or by mail referendum as directed by the Local Union Executive Board. The requirement that the employer's final offer of settlement can be rejected only by a two-thirds (2/3) vote shall not apply during a strike.

In any case where the General President believes that an employer has made a final offer of settlement but the Local Union Executive Board has refused to submit such final offer of settlement to the involved membership, the General President is authorized to submit such final offer to the involved membership by either secret ballot vote at a meeting or by referendum mail ballot.

The General President or the General Executive Board is authorized to direct that strike votes be taken by a referendum mail ballot or that the final offer of settlement before or during a strike shall be taken by referendum mail ballot or by secret ballot vote at a meeting.

The General President or the General Executive Board shall have the authority to conduct, under their supervision, secret ballot votes or mail referendum balloting on such basis as they may determine in accordance with Article VI, Section 1 (h),

ART. XII, SEC. 1

and in this regard the authority granted to the General President and the General Executive Board shall supersede any authority granted herein to the Local Executive Board and any action which may have already been taken under the direction of the Local Union Executive Board.

(c). Prior to a Local Union becoming involved in a strike, boycott, lawsuit or any serious difficulty, such Local Union shall immediately notify the Joint Council of which it is a member of any contemplated action, setting forth the action contemplated and the nature of the difficulty. The Joint Council shall then take steps to approve or disapprove such contemplated action. The Joint Council shall notify the General President of the steps it has taken in respect to such contemplated action. The General President is authorized to approve, disapprove or modify the action of the Joint Council. Approval, disapproval, or modification of the action of the Joint Council or the Local Union by the General President shall not operate to impose any liability on the International Union or its officers or to make them parties to any such action. The International Union does not assume any liability of any nature to any person or persons simply by reason of such approval, disapproval or modification. In taking any action under this Section the International Union is not required and does not undertake to inquire into or pass upon the legality of any strike, work stoppage, or lockout under contracts

ART. XII, SEC. 1

or applicable state, provincial or federal law and assumes no responsibility in this respect.

(d). The Executive Board of a Local Union may, at its discretion, provide that the strike vote mentioned in Section 1 (b) above, be limited to the members employed in a particular division, craft, or place of employment, or under any specific contract. In cases of Area Conferences, the provisions of this Article, with respect to strike votes, shall be satisfied if two-thirds (2/3) of the Local Unions' members covered and voting have voted to strike in accordance with the provisions of this Article, in which event such strike vote shall apply to all the involved Local Unions affiliated with the Conference. Strike votes shall not be required in any case where a collective bargaining agreement then in existence authorizes such strike for the purpose of enforcing the terms of such agreement. Nor shall a strike vote be required for a strike in support of demands that an employer agree to the terms and conditions of an agreement already negotiated on a state, multi-state, multi-area or national, company-wide, or area basis. In such case the Local Union Executive Board, subject to the approval of the General President, may call the strike in support of its position, and may also with the approval of the General President, terminate such strike.

Payment of Benefits

Section 2. The General Executive Board shall have the power to pay out the entire treasury of the International Union to a Local Union that is on strike where the General Executive Board has recognized the strike as one properly subject to the payment of the constitutional benefits provided for herein.

Approval of General Executive Board

Section 3. Any Local Union going out upon strike without prior recognition thereof by the General Executive Board as being a strike properly subject to the payments of out-of-work benefits, under the provisions of this Constitution, may be denied financial benefits from the International Union, provided for by the Constitution, except, however, where less than two hundred (200) employees are involved, the General President or his authorized representative may approve the strike for the purpose of out-of-work benefits.

Out-of-work Benefits

Section 4. Out-of-work benefits in strikes recognized as properly subject to the payment of out-of-work benefits or relief in cases of lockouts, etc., shall be paid to all members not in arrears for dues in excess of one (1) month and otherwise in good standing, who are members of a Local Union not more than one (1) month in arrears in per capita tax, at the rate of fifteen dollars (\$15.00) per week for the first four (4) payments and

twenty-five dollars (\$25.00) per week for the fifth (5th) payment and thereafter; provided that whenever the total net assets of the International Union shall reach an amount more than five million dollars (\$5,000,000.00) below the amount of such assets as disclosed by the General Secretary-Treasurer's report to the 1957 Convention then, and in that event, the rate of out-of-work benefits shall revert back to ten dollars (\$10.00) per week for such period of time as such total net assets shall remain below such amount. Such out-of-work benefits will be payable at the end of the second (2nd) week of the strike or lockout; but in no case shall a fraction of a week's out-of-work pay be allowed nor the first (1st) week of a strike or lockout be paid for, provided that in the last week of a strike the first four (4) days or more of such strike shall be considered a week; any arrearages for dues, and dues one (1) month in advance shall be deducted from the first (1st) payment of benefits and duly credited to the member or members so in arrears so as to maintain such member or members in good standing and preserve his or their rights, if any, to financial benefits. All members shall be entitled to the out-of-work benefits provided for herein for such a period of time as the General Executive Board shall determine.

**Requirement for Payment of
Out-of-work Benefits**

Section 5 (a). No Local Union shall receive

ART. XII, SEC. 5

benefits from the International Union unless the Local Union has been six (6) months in good standing, provided that Local Unions chartered for a period of six (6) months or less prior to applying for benefits must have been in continuous good standing from the time of their chartering in order to be eligible for benefits. Benefits shall be paid to all other member employees of the primary employer at all terminals or places of employment of the primary employer involved if such member employees shall have become unemployed as a direct result of a strike involving other Teamster member employees which strike has been approved pursuant to Section 3, and benefits shall also be paid to member employees of an exclusive Contract Hauler employer if such member employees shall have become unemployed as a direct result of a strike involving other Teamster member employees of customers of the exclusive Contract Hauler, provided, the General Executive Board or the General President was advised of the possibility that such member employees might become unemployed as a direct result of such a strike and provided further the General Executive Board or the General President shall have approved the payment of benefits to such member employees at the time of approving the request for benefits. The General Secretary-Treasurer may at his discretion disburse benefit payments through a representative designated by him.

(b). A Local Union or member more than one

(1) month in arrears for per capita tax or dues payable to the International Union, Area Conference, Joint Council, Local Union or any other subordinate body shall not be entitled to benefits, and should a Local Union or member become three (3) months in arrears for per capita tax, dues, fines, etc., they shall stand suspended and shall not be entitled to benefits for three (3) months after all arrears have been paid.

(c). No member of a Local Union on strike shall be entitled to weekly benefits unless he reports to the proper officers of the Local Union or International Union as prescribed by the Executive Board, and no member who shall receive a week's work (three (3) days to be considered a week) shall receive benefits. Any member refusing to work for an employer considered fair, while on strike, shall be debarred from all benefits.

(d). Notwithstanding the provisions of this Constitution, the General Executive Board (or the General President if less than two hundred (200) employees are involved) may authorize the payment of out-of-work benefits in any case where it determines that such payment is in the best interest of the International Union.

(e). Notwithstanding the provisions of this Constitution, out-of-work benefits may be paid to employees who have designated the International Union or a subordinate body as their collective bargaining agent in connection with organizing campaigns even

ART. XII, SEC. 6

though the employees have not yet become members, subject, however, to the condition that there is otherwise full compliance with all other applicable provisions of the International Constitution concerning the payment of out-of-work benefits.

Payroll Reports

Section 6 (a). The General Secretary-Treasurer shall, on or about the end of the second (2nd) week and each succeeding week of a strike or lockout, forward to the Local Union Secretary-Treasurer or deputy a check covering a sufficient amount to pay each week's benefits, and he shall also furnish blank payroll sheets on which each member shall sign for the amount received, said payroll to be made in duplicate.

(b). The Local Union Secretary-Treasurer or deputy shall forward the original payroll to International Union Headquarters, but shall retain a carbon copy of the same for further reference.

(c). Failure to receive receipted payroll sheets in due time at the office of the General Secretary-Treasurer will be sufficient cause for the discontinuance of benefits to any Local Union failing to comply with this law.

(d). During the continuance of a strike the deputy or strike committee of the Local Union shall make weekly reports to the General Secretary-Treasurer, showing the amount of moneys distributed for benefits, the number of beneficiaries and all other facts that may be required.

Termination of Benefits

Section 7. The General President with the concurrent approval of three-fourths (3/4) of the General Executive Board, and after having given the subordinate body the right to appear before the General Executive Board before action is taken, shall have the power to terminate the financial aid of the International Union when satisfied upon facts and information in their possession that the support of a strike or lockout should cease.

Return of Unused Funds

Section 8. All moneys from the International Union remaining unused by the Local Union at the close of the strike or lockout shall be returned at once to the General Secretary-Treasurer.

Lockout

Section 9. Among other circumstances, a declaration on the part of an employer, or a combination of employers, to the effect that their employees must cease their connection with the International Union or cease work, shall be deemed a lockout. In case a lockout is reported to the International Union, the General President shall endeavor to obtain satisfactory proof that the difficulty is a bona fide lockout. Also a lockout shall be deemed to exist when an employer refuses to permit his employees to continue at work, unless such employees agree to a substantial and material breach of an existing agreement or refuses to permit work with

ART. XII, SEC. 10

or without stated reasons or conditions. In the event of a lockout, out-of-work benefits shall be paid under the same terms and conditions as set forth in Article XII, Section 4, excepting that neither strike votes nor prior notice to the International Union shall be required as a condition of eligibility and such out-of-work benefits shall be payable at the end of the second week of the lockout. Out-of-work benefits shall be paid to all other employees of the primary employer at all terminals or places of employment of the primary employer if such member employees shall have become unemployed as a direct result of a lockout, as defined in this Section, directed against other Teamster member employees of the primary employer. Out-of-work benefits shall also be paid to the employees of an exclusive Contract Hauler employer if such member employees shall have become unemployed as a result of a lockout, as defined in this Section, directed against any other Teamster member employees of customers of the exclusive Contract Hauler.

Section 10. Nothing herein contained concerning the manner of calling strikes or concerning the legality of strikes for the purpose of obtaining the payment of International Union out-of-work benefits shall affect the legality of the strike in respect to the employer against whom the Local Union instituted such strike; nor shall any provision contained herein concerning strike recognition for payment of out-of-work benefits be intended to constitute the International Union a party to such strike or lockout.

In approving the payment of out-of-work benefits under any Section of this Article XII the International Union is not required and does not undertake to inquire into or pass upon the legality of any strike, work stoppage or lockout under contracts or applicable state, provincial or federal law and assumes no responsibility in this respect.

Wage Scales and Approval Thereof

Section 11 (a). Proposed collective bargaining contracts or amendments thereto shall be submitted to the Joint Council and Area Conference if required by the Area Conference Bylaws for approval before submission to the employer. If no Joint Council exists it shall be submitted to the State or Area Conference for its approval. In those cases where the proposed contract is for operations which are already subject to an area-wide agreement or a prospective area-wide agreement is already planned, the proposed contract shall be submitted to the Area Conference for approval before submission to the employer.

(b). True copies of final agreements arrived at by any subordinate body shall be filed with the Research Departments of the International Union and the Area Conference within sixty (60) days after consummation.

(c). Approval or disapproval by the the International Union, Area Conference or Joint Council of wage scales or other agreements is not intended to

ART. XII, SEC. 11

impose any liability on such organization or its officers; and such organization and its officers do not assume any liability of any nature to any person or persons for such approval or disapproval.

(d). In such instances where the General Executive Board receives information of the proposed execution of a contract which affects the interests of either the members involved or any other members of the International Union by providing working conditions or earnings less than those prevailing in the area, it shall have the power to hold a hearing on such matters and may, by a majority vote, direct the subordinate body to refrain from executing such agreement, and in such circumstances no proposed agreement shall become valid and binding unless specifically approved by the General Executive Board. When such action is contemplated or taken, the employers involved shall be promptly notified of the necessity of specific approval by the General Executive Board before the contract involved may become valid and binding.

The General Executive Board shall also have the power to take such disciplinary action as it deems necessary after proper notice according to this Constitution in those cases where it finds that a subordinate body or its representatives have without good cause executed agreements which adversely affect members of this International Union within the jurisdiction of the particular Joint Council.

Disputes Over Jurisdiction

Section 12. Where two (2) or more Local Unions are in dispute concerning jurisdiction, there shall be no work stoppage of the involved operation, but such controversy shall be submitted for determination to the Joint Council. If any party to such dispute is aggrieved by the decision of the Joint Council, it may appeal to the General President for the appointment of a special committee which in his discretion he may appoint for the purpose of holding a hearing and making a report and recommendations on the issues raised. The committee shall make its report and recommendations to the General Executive Board for its decision, which shall be final and binding. The parties shall not be entitled to any further hearing or appearances before the General Executive Board. Pending, and as a condition to, appeal and until such time as the General Executive Board makes its decision, any party taking an appeal under this Section shall comply with the decision of the Joint Council unless the General President or the General Executive Board stays the effectiveness of the decision of the Joint Council pending appeal.

Where two or more Local Unions involved in a dispute concerning jurisdiction are affiliated with different Joint Councils, such controversy shall be submitted for determination directly to the General Executive Board and shall be governed by the same

ART. XII, SEC. 13-14

provision set forth above with respect to an appeal from the decision of a Joint Council.

Every member of a Local Union, as a condition of becoming and remaining a member, acknowledges the right of the General Executive Board, in resolving a jurisdictional dispute, to transfer him from one Local Union to another.

Any Local Union violating this provision and engaging in any strike or work stoppage or refusing to comply with the decisions so rendered in accordance with this provision, shall be subject to the appointment of a Trustee, revocation of charter, or such other penalty which the General Executive Board may propose.

Government Employees

Section 13. Local Unions having members who are employed by any government, governmental agency or authority shall not, in their relationship to such government, governmental agency or authority, engage in any strike or other union activities which are prohibited by the law of such government, governmental agency or governmental authority.

ART. XIII—ART. XIV, SEC. 1

the authorized officers of the International Union or of the other subordinate body.

ARTICLE XIII

ASSISTANCE TO LOCAL UNIONS

Assistance from Sister Local Unions

Section 2. All Local Unions affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, soliciting financial aid or other monetary consideration from sister Local Unions, must first receive official approval and endorsement from the General President.

ARTICLE XIV

CHARTER MEMBERS AND MEETINGS OF LOCAL UNIONS

Section 1 (a). Charter members shall consist of the names forwarded to International Union headquarters with the application for charter.

ART. XIV, SEC. 2

(b). All new members presenting themselves for initiation shall receive upon request a free copy of the Constitution from the Local Union. However, any alleged failure to receive such copy shall not excuse a member from violation of any duty or obligation imposed upon him by his oath of office, initiation or membership.

(c). A Local Union by majority vote may keep its charter open for a term of thirty (30) or sixty (60) days after receiving the same.

Meetings

Section 2 (a). Membership meetings shall be general or special.

(1) General membership meetings shall be held monthly at such place and time as shall be designated by the Local Union Executive Board subject to disapproval by the membership, except where otherwise approved by the General Executive Board. The General Executive Board shall establish such conditions relative to the holding of meetings as in its judgment it deems advisable. Membership meetings may be suspended during any three (3) months between June and October by action of the membership at a meeting after reasonable notice of the intention to vote upon such question.

(2) Members in attendance at membership meetings shall have the right to express

their views, arguments or opinions upon any business properly before the meeting subject to Local Union Bylaws and the rules and regulations adopted by the Local Union Executive Board pertaining to the conduct of meetings, but no member in exercising such rights shall evade or avoid his responsibility to the organization as an institution or engage in or instigate any conduct which would interfere with the Local Union's performance of its legal or contractual obligations.

- (3) The Local Union Executive Board is authorized to permit membership meetings to be held on a division, craft, place of employment or other similar basis as it shall consider appropriate considering the special needs of the organization so as to permit the membership to attend meetings and to express their views and otherwise exercise their rights as members. There shall be no limitation on the right of any member to be heard at any such separate meeting provided herein on all matters which apply to the general membership, but such member shall be permitted to vote only at such separate division, craft or place of employment meeting to which he has been assigned.

When the Local Union Executive Board authorizes such meetings by division, craft or place of

ART. XIV, SEC. 2

On all matters which apply to the general membership, the votes of the meeting of each particular division, craft or place of employment shall be totaled to determine the action of the Local Union in such matter.

Members at each separate division, craft or place of employment authorized to hold separate meetings may vote separately on initiation fees, dues and assessments which may apply to them alone, if higher than the minimum applicable to the general membership, and may, when authorized by the Local Union Executive Board, vote separately on approval or disapproval of, or on matters arising under, contracts applicable only to them, and strikes or other activities in which only they will participate.

(b). Any Local Union failing to comply with this Section during the twelve (12) month period immediately preceding application for benefits, or, in the case of a Local Union chartered for less than twelve (12) months, during the period following its chartering, shall not be entitled to any financial or other benefits from the International Union; provided that the General Executive Board may, for good cause shown, waive the requirements of this

Constitution in respect to the paying of financial or other benefits and authorize the paying of same. The General Executive Board may revoke the charter of any Local Union failing to comply with this Section.

ARTICLE XV

(b). In localities composed of small cities and towns, the General Executive Board shall decide when, where and by whom Joint Councils shall be formed. Should any dispute arise as to the jurisdiction of a Joint Council, it shall be decided by the General Executive Board.

(c). Whenever, in the judgment of the General Executive Board, the jurisdiction of a Joint Council should cover a wider area, the General Executive Board may so order.

(d). Whenever, in the judgment of the General Executive Board, it is not feasible to have Joint

Councils in a state or states, the General Executive Board may establish a State or Multi-State Joint Council with which the Local Unions in the state or states must affiliate.

Section 2 (a). Each Local Union shall be entitled to seven (7) delegates excluding its Business Agents.

(b). The seven (7) executive officers of each Local Union shall constitute the delegates to the Joint Council. Business Agents shall be entitled to the floor but cannot introduce a motion or vote.

(d). Any complaint, protest or charge by any delegate concerning the conduct of a Joint Council election shall be made to the General President in writing, by registered or certified mail, within forty-eight (48) hours setting forth the exact nature and

specifications of the complaint, protest or charge and his claim as to how it has affected the outcome of the election. The General President shall decide such complaint, protest or charge. The decision of the General President may be appealed to the General Executive Board from whose decision there shall be no further appeal.

(b). Should any member violate his obligation by refusing to employ union men, or to patronize and assist members of the International Union, the mem-

ART. XV, SECS. 5-6

ber who may have been aggrieved shall present his case in writing to the Joint Council, or if there is no Joint Council, then to the General Executive Board and it shall hear and decide the case and report its decision back to each affiliated Local Union.

Joint Council Bylaws

Section 5. A Joint Council may make such Bylaws as it deems proper, provided they do not conflict with the laws of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America. Such Bylaws and amendments thereto shall be submitted to the General President for approval and shall have no force nor effect until approved by the General President; regardless of approval, if any conflict should arise between such Bylaws or amendments thereto and the International Constitution or amendments thereto, the provisions of the International Constitution shall control. If the General President's office fails to approve the Bylaws the matter may be referred by the Joint Council to the General Executive Board.

Affiliation of Local Unions

Section 6. All Local Unions within the jurisdiction of the Joint Council shall affiliate with the Joint Council, comply with its laws and obey its orders.

ARTICLE XVI

CONFERENCES

Establishment

Section 1. Experience has demonstrated that State, Multi-State, Multi-Area or National and Area Conferences and Trade Divisions are of value to this International Union and its affiliates. Therefore, Conferences and Trade Divisions shall be organized and chartered as subordinate bodies of the International Union for such geographical area, industries or companies as the General Executive Board may from time to time direct. They shall be at all times subject to the unqualified supervision, direction and control of the General President and they shall function under the rules prescribed by the Bylaws approved by the General President. A Policy Committee for the Conferences shall be elected by the delegates to such Conferences in accordance with the applicable provisions of Conference Bylaws. The International Constitution shall supersede Conference Bylaws in the event of conflict.

Each Conference shall submit Bylaws adopted by it to the General President for his approval, and such Bylaws shall not become effective until such approval has been obtained. The General President reserves the right at any time to make such amendments or changes in approved Bylaws as he deems to be in the best interest of the International Union.

ART. XVI, SECS. 2-3

All action establishing Conference dues obligations and assessments shall be submitted to the General President for his approval prior to their becoming effective.

Conference Bylaws

Section 2. All Local Unions and Joint Councils must affiliate with and participate in the activities of the Area Conference and State, Multi-State, Multi-Area or National Conferences, if any, having geographic or awarded jurisdiction over such Local Unions and Joint Councils. All Local Unions must pay all dues and assessments to such Conferences no later than the twentieth (20th) day of the succeeding month.

The functions of State, Multi-State, Multi-Area or National Conferences shall be set forth in their Bylaws which must be approved by the General President. The General President reserves the right at any time to make such amendments or changes in approved Bylaws as he deems in the best interest of the International Union.

International Directors

Section 3. The General President may appoint an International Vice President as International Director for each area to assist him in supervising and directing the activities of such Multi-Area or National, Area or Multi-State Conferences. Upon appointment, the International Directors shall become employees of the International Union, and not offi-

cers of the Conferences, unless elected as such officers pursuant to Section 1 of this Article, and their salaries as International Directors shall be fixed by the General Executive Board. The General President may assume the position of International Director.

**Area, Multi-Area or National
Company-wide or Industry-wide Contracts**

Section 4 (a). If a majority of the affiliated Local Unions vote for area, multi-area or national, company-wide or industry-wide negotiations for an area, national, company-wide or industry-wide contract, all involved affiliated Local Unions shall be bound by such vote, must participate in such area, multi-area or national, company-wide or industry-wide bargaining and shall be bound by the contract approved as provided below. Upon completion of negotiations by a Conference, Trade Division, or by any Committee appointed by the General President, subject to the approval of the General Executive Board, to engage in negotiation of an industry, area, multi-area or national or company-wide contract, such contract shall be submitted to the membership covered by said contract proposal for their approval or rejection.

If a majority of the votes cast by Local Union members voting approve such contract it shall become binding and effective upon all Local Unions involved and their members. Local Unions which

ART. XVI, SEC. 4

are parties to such contracts may not withdraw from such bargaining unit except upon six (6) months' notice and for good cause shown to the satisfaction of the appropriate Conference, Trade Division or Committee, and approved by the General Executive Board of the International Union. If any Local Union believes that an area, multi-area or national, company-wide or industry-wide contract proposal will deprive its involved members of better existing conditions of general application to all such involved members of the Local Union it may appeal to the General Executive Board which shall have the final authority to determine whether such alleged better general conditions shall be continued or shall yield to the overall gains of the proposed contract. Unless mutually agreed to, no Local Union shall suffer any economic loss.

(b). In the event any Conference, Trade Division or Committee negotiates a contract which involves, affects or relates to operations of the employer or employers within the jurisdiction of other Conferences, Trade Divisions or Committees, notice of intent to execute such contract shall be given to the Conference, Trade Divisions, Committees or Local Unions involved in such other jurisdiction who may within ten (10) days thereafter, protest the application of such contract in their area. Failure to file such protest shall be considered a waiver of any objections to such contract, but shall not be considered an acceptance of such contract as a substitute for, or

in variance of, existing agreements to which the other Conferences or Local Unions are parties.

In the event of protest, and if the parties cannot adjust the same, the matter shall be submitted to the General Executive Board for its determination, and no such contract shall become finally effective as to such Local Unions as the General Executive Board may determine until the determination by the General Executive Board.

All employers negotiating contracts with Multi-state, Area, Multi-Area or National Conferences, Trade Divisions or Committees established by the General President, subject to approval of the General Executive Board, or with subordinate bodies, shall be provided with a copy of this Article at the time negotiations are started so they will have notice of the approval necessary for a binding contract. All provisions of Article XVI, Section 4 (a) and (b) shall be equally applicable to company-wide negotiations and contracts on an area, multi-state, multi-area or national basis.

The General President, subject to the approval of the General Executive Board, shall have the authority to appoint negotiating committees and establish procedures for the negotiation of area, multi-area or national, company-wide and industry-wide agreements and for the submission of such negotiated agreements to the membership covered by the proposed contract for approval or rejection, and to do all things necessary to implement the enforce-

ART. XVI, SEC. 4

ment of such agreements and compliance by Local Unions with the provisions of this Article and the procedures established thereunder.

Such negotiating committees shall have the authority, with the approval of the General Executive Board, to conduct contract ratification votes and strike votes on such area, multi-area or national, company-wide, industry-wide, or Local Union basis as the committee shall determine, and in the event the strike is authorized, the said committee shall have the authority, with the approval of the General Executive Board, to direct that the strike be conducted on such area, multi-area or national, company-wide, industry-wide, Local or such other selective basis as the committee shall determine; provided, however, that the results of ratification or rejection votes with respect to national agreements shall be determined on a cumulative basis of all votes cast by all affected voting members in all areas, with a cumulative majority vote necessary for acceptance, and a cumulative two-thirds ($\frac{2}{3}$) vote necessary for rejection of the final offer and strike authorization as provided in this Constitution. The requirement that the employer's final offer of settlement can be rejected only by two-thirds ($\frac{2}{3}$) vote shall not apply during a strike.

This Article shall be broadly interpreted to carry out the intent and purpose of permitting national negotiations and national agreements in any industry in which the International Brotherhood of Teamsters has jurisdiction.

ART. XVI, SECS. 5-6—ART. XVII

Section 5. The General President and the General Secretary-Treasurer may expend any funds of the International Union in payment of any and all expenses and to provide such services of the International Union without limitation deemed by them in their sole discretion to be appropriate to accomplish the negotiation, administration and enforcement of national agreements.

Section 6. The General Executive Board is empowered to amend, delete or add to Article XVI if at any time it believes such action will be in the interest of the International Union or its subordinate bodies.

ARTICLE XVII

CHARTERED MISCELLANEOUS LOCAL UNIONS

Whenever there is not a sufficient number of any one (1) craft, a mixed Local Union may be formed. There shall be only one (1) Local Union of any craft chartered in any city, except in localities where it may be necessary, and in such cases the General Executive Board shall, after consultation with the Joint Council, have full power to determine the advisability of issuing a separate charter.

The General Executive Board is authorized by majority vote to approve the issuance of a

ART. XVIII, SEC. 1

separate charter to any group of members of any existing Local Union or Local Unions.

When a separate charter is issued to a separate group as provided in subsection (b), the members within the jurisdiction of the newly chartered Local Union must be transferred to said new Local Union. It shall be incumbent upon the original Local Union to provide the necessary funds with which the newly constituted Local Union shall obtain its charter, with a maximum equivalent to three (3) months dues per member for the number being transferred unless the Local Union determines the amount shall be more. In no event shall the original Local Union be required to pay out more than fifty percent (50%) of its assets.

ARTICLE XVIII

TRANSFER AND WITHDRAWAL CARDS

Duty to Accept Transfer Card

Section 1. It shall be compulsory upon every Local Union to accept the transfer card of a member in good standing with any Local Union of the International Union, without any extra charge or fees, except as set forth in the International Constitution; provided, however, the member seeking to transfer has already obtained employment within the jurisdiction of the Local Union; provided

further the member seeking to transfer shall comply with all rules and regulations set forth in this Constitution respecting transfer; and provided further he shall comply with rules and regulations of the Local Union and its Constitution and Bylaws. A member who has transferred to a Local Union shall be entitled to the rights and privileges of membership in the Local Union in accordance with the rules and regulations of the Local Union.

Transfer Card

Section 2. This is to certify that the bearer hereof, Brother, whose name is written on the margin of this card in his own handwriting, is a member in good standing of Local Union No., International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, and is entitled to all rights and privileges under our jurisdiction.

We recommend him to the friendship and protection of all members of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, wherever he may be, and to free admission, provided he has been a member not less than ninety (90) days in the Local Union from which he transfers; otherwise he shall pay the difference in the initiation fee to the Local Union to which he transfers.

This card expires, 19, and is null and void after that date, unless renewed or deposited in accordance with the Constitution.

ART. XVIII, SEC. 3

The member receiving this card will be suspended from all rights and benefits unless the card is renewed by the Local Union before its expiration. It will also be forfeited unless deposited within thirty (30) days after going to work in any town or city where there is a Local Union.

This card is issued in accordance with the provisions of Article XVIII, Section 1 and Section 3 of the International Constitution.

Deposit of Transfer Card

Section 3 (a). It shall be compulsory for a member working under the jurisdiction of another Local Union to procure a transfer card from the Local Union of which he is a member, and to deposit the same with the Local Union under whose jurisdiction he is working. Immediately upon going to work, or before if practicable, he shall make a request in writing to the Local Union of which he is a member and from which he seeks to transfer for the issuance of a transfer card to him, and shall also apply to the Secretary-Treasurer of the Local Union into which he is seeking to transfer for approval of that Secretary-Treasurer so to transfer. No transfer card shall be issued unless such approval has been obtained in writing attested to by such Secretary-

Treasurer. Within forty-eight (48) hours after a member has received a transfer card he shall deposit the same with the Local Union to which he seeks to transfer, and upon such deposit the transfer shall become effective. Upon transfer the member is subject to the rules, Bylaws and agreements of the Local Union to which he has transferred. The Local Union from which a member has been transferred shall be obliged to refund to such member dues paid in advance to such Local Union covering the period from the end of the month in which such member has transferred to the end of the period for which such dues have been paid in advance. If a member continues to work under the jurisdiction of another Local Union after having been refused a transfer card or after having failed to apply for such transfer card as specified herein, or after the Joint Council has decided he should transfer, and he has refused, he thereby forfeits his membership, and his Local Union must not accept any more dues or furnish him with a button. Refusal to issue a transfer card or to approve a transfer may be appealed to the General President and thereafter to the General Executive Board in accordance with the appeal procedures provided for in this Constitution, excluding, however, appeal to the Convention.

(b). When seeking transfer, such member shall present to the Local Union into which transfer is sought proper and satisfactory identification and also produce an official dues card stamped up to date.

ART. XVIII, SEC. 4

A maximum charge of fifty cents (50¢) shall be made for such transfer card. Salaried officers and employees of the International Union and subordinate bodies shall not be required to transfer from their respective Local Unions while employed by the International Union or the subordinate body.

(c). In no case shall the Local Union accepting a transfer card charge dues to the member for the month preceding such transfer if such dues have been previously paid.

Jurisdiction to Issue Honorable Withdrawal Card

Section 4 (a). Local Unions shall have jurisdiction over the granting and acceptance of all honorable withdrawal cards and shall establish rules in their Bylaws not inconsistent with this Constitution to govern the issuance and acceptance of withdrawal cards with respect to members working within the various crafts and industries under their jurisdiction.

(b). A withdrawal card shall be issued to any member of a Local Union who has retired. However, a Local Union may provide in its Bylaws that retired members who have been issued withdrawal cards may continue as honorary members with the privilege of attending meetings.

(c). There shall be a maximum charge of fifty cents (50¢) to any member issued a withdrawal card, and it shall be the duty of the Secretary-

Treasurer of the Local Union receiving such charge duly to record the payment thereof in his cash book and carry it to his ledger.

(d). Refusal or failure to grant an honorable withdrawal card or issuing a withdrawal card in alleged violation of this Constitution shall be subject to appeal in accordance with the appeal procedure provided for by this Constitution excluding, however, any appeal to the Convention.

(e). Withdrawal cards shall be issued and accepted in accordance with the provisions of this Section and Section 5 and shall be issued in the form prescribed by Section 5.

(f). The Local Union shall not charge an initiation fee on the deposit of a withdrawal card.

(g). To be eligible for a withdrawal card a member must have paid to the Local issuing the withdrawal card all dues and other financial obligations as a member, including dues for the month in which the withdrawal card is to be issued.

(h). The Local Union shall collect a month's dues for the month in which the withdrawal card is deposited. In no case shall the Local accepting the withdrawal card charge the member dues for the month in which it was issued.

Honorable Withdrawal Card

Section 5 (a). This is to certify that the bearer hereof, Brother, whose name

ART. XVIII, SEC. 5

appears on the margin of this card in his own handwriting, has paid all dues and demands and has withdrawn in good standing from membership in Local Union No.

(b). This card entitles him to readmission to the Local Union from which this card was issued at any time, subject, however, to the provisions of subsection (e) of this Section.

(c). Any member of a Local Union refusing full-time employment when offered or leaving employment within the jurisdiction or going to work at another craft or occupation outside its jurisdiction on other than a temporary or part-time basis shall be given an honorable withdrawal card and cannot remain a member. A withdrawal card shall be issued to any member of a Local Union who has retired.

(d). Any ex-member out on a withdrawal card and desiring to return to membership, must first deposit his withdrawal card with the Local Union by which it was issued; and upon the withdrawal card being accepted, the member shall be subject to the rules and laws of the Local Union. Refusal of any Local Union to accept a withdrawal card shall be subject to appeal in accordance with the appeal procedure provided for by this Constitution, excluding, however, any appeal to the Convention.

(e). The Local Union must not accept a withdrawal card if the member has committed any

offense while out on withdrawal card which would be injurious to union principles. Also, if the Local Union is paying benefits and the member has fallen into bad health or is liable to become a charge against the Local Union or International Union, acceptance of the withdrawal card can be refused by the Local Union. Likewise acceptance of a withdrawal card may be refused where adverse employment conditions exist.

Employment Within Jurisdiction of Sister Local

Section 6. When a member of a Local Union continues to work on a full-time basis within its jurisdiction and also obtains employment within the jurisdiction of a sister Local Union, he shall not be entitled nor required to transfer his membership, but he shall pay to the sister Local Union a periodic service fee (not in excess of the applicable membership dues) established and uniformly required by it from members of other Local Unions working within its jurisdiction. When a member of a Local Union continues to work on a part-time

ART. XIX, SEC. 1

basis within its jurisdiction and obtains full-time employment within the jurisdiction of a sister Local Union, he shall be required to transfer to the sister Local Union and to pay the periodic service fee to his former Local Union. This provision is subject to applicable law.

ARTICLE XIX

TRIALS AND APPEALS

Trials of Local Union Officers and Members—Procedure

Section 1 (a). A member or officer of a Local Union charged by any other member of the Local Union with any offense constituting a violation of this Constitution, shall, unless otherwise provided in this Constitution, be tried by the Local Union Executive Board. If the member charged or preferring the charges is a member of such Board, then the President of the Local Union shall appoint a disinterested member as a substitute. If the President of the Local Union is charged or is preferring the charges, the Local Union Secretary-Treasurer shall appoint the substitute.

If both the President and Secretary-Treasurer of the Local Union are charged or are preferring the charges, the remaining members of the Local Union Executive Board shall appoint the substitutes. Charges against a majority of the members of a Local Union Executive Board shall be filed

with the Secretary-Treasurer of the Joint Council for trial by the Joint Council Executive Board.

(b). Whenever charges are preferred against any member or officer of a Local Union, the charges shall be filed in writing in duplicate with the Secretary-Treasurer of the Local Union, Joint Council or General Executive Board which is to try the case. No member or officer of a Local Union shall be tried unless he or she shall be served by the Secretary-Treasurer, personally or by registered or certified mail, with a written copy of such charges specifying the nature of the offense of which he or she is accused. Thereupon, the accused shall be required to stand trial at the time and place designated, which shall not be less than ten (10) days from the date the charges are served upon the accused. The accused may appear in person, and with witnesses, to answer the charges preferred against him or her. The accused may select only a member of his Local Union to represent him in the presentation of his defense; and the charging party may select only a member of his Local Union to assist him in the presentation of the evidence in support of the charges. The Local Union Executive Board shall have the authority to determine the manner of reporting the proceedings and shall have the authority to exclude any method not authorized by it.

(c). A member of one Local Union shall have a right to file charges against a member of another

ART. XIX, SEC. 2

Local Union. Such charges must be filed with the Executive Board of the Local Union of which the accused is a member. The Executive Board may, at its discretion, decline to process the charges. However, a decision of the Executive Board not to process the charges may be appealed in accordance with the provisions of Section 2.

(d). If the charges, or any portion thereof, are sustained, then the trial body shall render judgment and impose disciplinary actions as provided for in this Constitution. If the charges are not sustained, the same shall be dismissed.

(e). Upon filing of such charges and if the same are of such magnitude and seriousness as to jeopardize the interests of the Local Union or International Union, then, and in that event, the General President, if the matter is brought to his attention, may, if he deems it advisable, immediately suspend such member or officer from membership or office in the Local Union until a decision has been rendered in the case.

(f). No member or officer shall be required to stand trial on charges involving the same set of facts as to which he is facing criminal or civil trial until his final court appeal has been concluded.

Appeals of Local Union Officers and Members

Section 2 (a). In the event disciplinary action is taken against the accused, he or she may take an appeal from the decision of the Local Union

Executive Board to the Executive Board of the Joint Council, if one exists; otherwise the appeal shall be taken to the General Executive Board. Appeals from decisions of the Executive Board of Joint Councils may be taken to the General Executive Board. In all matters involving officers of subordinate bodies and individual members there shall be no further appeal from the decision of the General Executive Board. Where elective officers of the International Union are involved, and as to all other matters not specifically excluded herein, appeals from decisions of the General Executive Board may be taken to the next Convention. All manner of appeals shall be taken within fifteen (15) calendar days from the date the decision is placed in the mail or otherwise transmitted to the interested parties.

(b). The appellant shall mail a written notice of such appeal to the Secretary of the body to which the appeal is directed. No specific form or formality shall be required, except that such notice shall clearly state an appeal is being taken from the particular decision rendered in the particular case. Pending any appeal, the decision appealed from shall remain in full force and effect. Appeals shall be heard either on the record made before the trial tribunal or by a re-trial, at the discretion of the body hearing the appeal. Decisions on appeals shall be rendered as promptly as possible after the appeal has been heard. The date when an ap-

ART. XIX, SEC. 2

peal will be considered by the appellate body may be fixed by it, but it shall proceed without unnecessary delay. Notice of the date when the appeal will be heard shall be served personally or by registered or certified mail on the parties interested in the particular case, and such parties may, at the discretion of the appellate body, be accorded the right to appear before the appellate body and present argument on the case.

(c). If a member of the Executive Board of the Joint Council or of the General Executive Board is interested in the case as a party thereto, then the President of the Joint Council or the General President of the International Union, as the case may be, shall appoint a substitute.

(d). Failure of any interested party in any case to appear before any trial or appellate body at the time and place designated in the notice shall constitute a waiver of appearance and the trial shall proceed or the appeal be heard regardless of the absence of such party. If the charging party fails to appear in person and/or present evidence before any trial or appellate body on the date set for trial or hearing, the charges shall be dismissed; such dismissal shall constitute a final adjudication from which there can be no appeal and after such dismissal the accused may not be retried on the same charges.

(e). Any party to a case, regardless of whether such party is the accused or not, being aggrieved

of a decision rendered in the case shall be entitled to the same rights of appeal as are hereinbefore provided for accused.

**Trials and Appeals of Local Unions, Other
Subordinate Bodies and Elective
International Union Officers**

Section 3(a). Whenever charges are preferred against a Local Union or against a Joint Council, or other subordinate body, such charges shall be filed in writing in duplicate with the Secretary of the trial body, and shall be served personally or by registered or certified mail on the Secretary-Treasurer of the Local Union or the Joint Council or other subordinate body so charged. If the charges are against the Local Union the trial shall be by the Executive Board of the Joint Council, provided that if a Local Union is not affiliated with a Joint Council due to the fact that no Joint Council exists with which such Local Union can affiliate, the trial shall be by the General Executive Board. If the charges are against a Joint Council or other subordinate body, the trial shall be before the General Executive Board. The provisions of this Section shall also be applicable when the Executive Board of the subordinate body is charged or is the charging party.

(b). A Local Union shall be accorded thirty (30) days time in which to appear for trial and submit its defense. In the case of a Joint Council or other subordinate body the time of trial shall be fixed by the General Executive Board.

ART. XIX, SEC. 3

(c). Appeals from decisions on charges against Local Unions or Local Union Executive Boards shall be taken to the General Executive Board and from it to the Convention. Appeals from decisions on charges against Joint Councils or other subordinate bodies shall be taken to the Convention by only the Joint Council or other subordinate body involved. In all other respects the procedure on appeals shall be the same as provided in Section 2.

(d). Trial of elective International Union officers shall be only before the General Executive Board at such time and place as fixed by the General Executive Board. The officer charged shall be found guilty only on a two-thirds ($2/3$) vote of the entire General Executive Board. Appeals by such general officers from decisions of the General Executive Board shall be to the Convention. Charges against elective officers of the International Union or any subordinate body shall be limited only to those activities or actions occurring during their current term of office, and only those activities and actions occurring prior to their current term which were not then known generally by the membership of the International Union or the subordinate body in the case of an officer of a subordinate body.

(e). Emergency powers provided for in Section 10 of this Article shall apply with the same force and effect to Local Unions and Joint Councils and other subordinate bodies.

**Original Jurisdiction of General Executive
Board to Try Offenses Against
International Union**

Section 4 (a). Notwithstanding any other provision of this Constitution, the General Executive Board shall have jurisdiction to try individual members, officers, Local Unions, Joint Councils or other subordinate bodies for all offenses committed against the officers of the International Union or the International Union. In the event charges have been filed or hearings are pending before a subordinate body in respect to any offense over which the General Executive Board has assumed jurisdiction under this Section, the jurisdiction of such subordinate body shall forthwith terminate and the subordinate body shall, upon request of the General Executive Board, transfer all of its records and papers pertaining to the case to the General Executive Board.

(b). Charges shall be filed in duplicate in writing with the General Secretary-Treasurer or the General President. A copy of the charges shall be served personally or by registered or certified mail upon the accused, together with notice of the time and place of trial.

(c). If the accused are unable to be present at the meeting of the General Executive Board, they may present their case in writing.

**Trials and Appeals Before Panels
of Executive Boards**

Section 5. In a case where a trial or hearing on appeal before the General Executive Board or the Executive Board of any subordinate body is required under the provisions of this Constitution, such Board or the General President or the President of the Executive Board involved, as the case may be, may have such trial or hearing on appeal conducted before a panel appointed by the General President or the President of the subordinate body, as the case may be. Such a panel shall consist of one or more disinterested persons and shall act on behalf of such Board in the holding of hearings and the taking of evidence. The panel shall make to the Board a full report in writing, including findings and recommendations for disciplinary action, if any. The ultimate decision of the case, however, shall be made by the Board itself. The parties to the appeal shall not be entitled to further hearing or further personal appearance before the General Executive Board.

**Grounds for Charges Against Members, Officers
and Subordinate Bodies**

Section 6. The basis for charges against members, officers, elected Business Agents, Local Unions, Joint Councils or other subordinate bodies, for which he or it shall stand trial, shall consist of but not be limited to the following:

- (1) Violation of any specific provision of the Constitution or failure to perform any of the duties specified thereunder.
- (2) Violation of the oath of loyalty to the Local Union and the International Union.
- (3) Embezzlement.
- (4) Secession, or fostering the same.
- (5) Abuse of fellow members and officers by written or oral communication.
- (6) Abuse of fellow members or officers in the meeting hall.
- (7) Filing charges in bad faith or out of malice.
- (8) Any action which is disruptive of or interferes with the performance or obligations of other members or Local Unions under collective bargaining agreements.

Specific Offenses

Section 7. Any member who (1) knowingly goes to work or remains in the employment of any person, firm or corporation, whose men are on strike or locked out, unless he has permission of the International Union, the Joint Council or his Local Union, may be tried by the Executive Board of his Local Union. Any member who (2) knowingly gives or attempts to give directly or indirectly, any information to any employer on an unfair list or whose men are on strike or locked out, or whose men are trying to secure an agreement or an im-

ART. XIX, SECS. 8-9

provement in their working conditions or whose men are trying to prevent an increase in hours of labor or a decrease in wages, for the purpose of assisting such employer, or for any gain or promise of gain, or who (3) knowingly goes to work or remains in the employment of any person, firm or corporation on an unfair list of the International Union without permission from the International Union, the Joint Council or his Local Union, may be tried in the manner provided for the trial of other offenses.

Refusal to Return Records

Section 8. Any member (1) who wrongfully takes or retains any money, books, papers or any other property belonging to the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, any Joint Council, Local Union, or other subordinate body or (2) who destroys any books, bills, receipts, vouchers, or other property of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, any Joint Council, Local Union or other subordinate body, may be tried in the manner provided for the trial of other offenses.

Decisions and Penalties

Section 9 (a). Decisions and penalties imposed upon individual members, officers, elected Business Agents, Local Unions, Joint Councils or other subordinate bodies found guilty of charges may

ART. XIX, SEC. 9

consist of reprimands, fines, suspensions, expulsions, revocations, denial to hold any office permanently or for a fixed period or commands to do or perform, or refrain from doing or performing, specified acts. If the penalty is by way of fine, then the same must be paid pending an appeal, if one is taken, unless the General President upon request waives payment pending appeal. A Local Union ordered to reinstate a member or perform an act other than the payment of a fine must comply therewith as a condition precedent to taking an appeal unless the General President or the General Executive Board suspends such order pending the appeal. If the fine is against a member or officer of a Local Union, assessed by the Local Union, it shall be paid into the treasury of the Local Union. If a fine is assessed against a Local Union by a Joint Council, the payment shall be to the treasury of the Joint Council.

(b). If the fine is assessed when the General Executive Board has assumed original jurisdiction, it shall be paid to the treasury of the International Union.

(c). When such penalty consists only of a fine and an appeal is taken, such fine shall be deposited as above provided; thereupon such member, elected Business Agent, officer or Local Union shall be permitted to continue in the Local Union with full rights and privileges in accordance with the laws of the International Union. If on appeal the decision

ART. XIX, SEC. 9

is reversed and the fine disallowed, then the same shall be returned to the party depositing the same. Whenever a decision is handed down by any trial or appellate body and an appeal is taken, such decision shall stand and remain in full force and effect until reversed by a higher body unless the General President upon request stays the effectiveness of the decision pending appeal.

(d). In the event of non-compliance with the decision handed down by a trial or appellate body, the member, elected Business Agent, officer, Local Union, or Joint Council shall stand suspended from all privileges of the International Union until the provisions of the decision have been complied with, unless the General President has waived payment of a fine or stayed the effectiveness of the decision pending appeal. If, however, the decision carries with it an order of expulsion, then such order of expulsion shall immediately take effect, unless the General President has stayed the effectiveness of the decision pending appeal.

(e). Any expelled member may be subsequently reinstated to membership in the Local Union from which expelled, or permitted membership in another Local Union, only by the action of the General Executive Board.

(f). Any member or Local Union that is tried by the General Executive Board cannot be tried for the same offense by a Local Union or Joint Council.

(g). The General Executive Board may send a case back to the Joint Council, the Local Union, or other hearing body or officer for further hearing, production of additional testimony, or for further consideration with or without such further hearing.

**Emergency Power in General President To
Conduct a Trial When Welfare of
Organization Demands**

Section 10 (a). Whenever charges involving a member or members, officer or officers, Local Union, Joint Council or other subordinate body create, involve or relate to a situation imminently dangerous to the welfare of a Local Union, Joint Council, other subordinate body or the International Union, the General President is empowered, at his discretion, in all cases, except where the General Executive Board has assumed jurisdiction under Section 4 of this Article, to assume original jurisdiction in such matter, regardless of the fact that charges have been filed with a subordinate body and are pending. When the General President has assumed such original jurisdiction under this Section, the jurisdiction of the subordinate body shall cease. Under such circumstances, the General President shall hold a hearing upon giving not less than forty-eight (48) hours notice to the party or parties charged to appear before him at a place and time designated by him. He shall then proceed to hear and try the matter and render judgment in accordance with the facts and circumstances presented to him. When the General

ART. XIX, SEC. 11

President has so acted, an appeal shall lie from his decision to the General Executive Board, and from the General Executive Board to the Convention in the same manner and to the same extent only as is provided for appeals in other cases. Pending appeal from the General President's action, his decision shall stand and be enforced.

(b). When the General President deems it necessary to exercise the foregoing emergency power, he may deputize a representative or representatives to act for him in such matter. Such representative shall have the same power as the General President as herein provided; however, when a trial shall be conducted by a representative or representatives of the General President, such representative or representatives shall make his or their recommendations to the General President, orally or in writing, and the decision in the case shall be made by the General President himself.

Refusal of Local Union to Try Member

Section 11. If a Local Union refuses to try its members when charges have been preferred by another Local Union, for any cause whatsoever, the Local Union preferring the charges may then bring the charge before the Executive Board of the Joint Council, where one exists, for trial and decision in the same manner as trials before the Local Union Executive Board. If no Joint Council exists, then the matter shall come within the jurisdiction of the General Executive Board.

Exhaustion of Remedies

Section 12 (a). Every member, officer, elected Business Agent, Local Union, Joint Council or other subordinate body against whom charges have been preferred and disciplinary action taken as a result thereof, or against whom adverse rulings or decisions have been rendered or who claims to be aggrieved, shall be obliged to exhaust all remedies provided for in this Constitution and by the International Union before resorting to any court, tribunal or agency against the International Union, any subordinate body or any officer or employee thereof.

(b). Where a member, officer, elected Business Agent, Local Union, Joint Council or other subordinate body, before or following exhaustion of all remedies provided for within the International Union, resorts to a court of law and loses his or its cause therein, all costs and expenses incurred by the International Union shall be assessed against such individual, Local Union, Joint Council or other subordinate body, in the nature of a fine, subject to all penalties applicable where fines remain unpaid.

Where such court action is by an individual or by a Local Union, Joint Council or other subordinate body against a Local Union, Joint Council or other subordinate body, the foregoing provision in respect to the payment of costs and expenses shall

ART. XIX, SEC. 13—ART. XX

be applicable in favor of the Local Union, Joint Council or other subordinate body proceeded against in court.

(c). The appeals procedure provided herein is also available to and must be followed by any member who is aggrieved by any decision, ruling, opinion or action of the Local Union, membership, officers or Executive Board, excluding collective bargaining matters.

Section 13. All decisions following trials or hearings shall be made and rendered within sixty (60) days of the date the hearing or trial commenced, unless otherwise ordered by the General Executive Board.

ARTICLE XX

DISSOLUTION

No Local Union can dissolve, secede or disaffiliate without the approval of the General Executive Board while there are seven (7) dissenting members; no Joint Council can dissolve, secede or disaffiliate without the approval of the General Executive Board while there are two (2) dissenting Local Unions; nor can this International Union dissolve while there are seven (7) dissenting Local Unions. In the event of secession, dissolution or disaffiliation, all properties, funds and assets, both real and per-

sonal, of such Local Union or Joint Council or other subordinate body shall become the property of the International Union as specified in Sections 13 and 14 of Article X, hereof. Under no circumstances shall any Local Union or Joint Council distribute its funds, assets or properties, or any part thereof, individually among its membership. To ascertain whether or not seven (7) members desire to retain the charter, there shall be subtracted from the complete membership list for the current month the name of each member in good standing who has, during the current month, submitted to the General Secretary-Treasurer a personally signed, notarized, individual affidavit attesting to his desire to sever his membership in the Local Union and International Union. Such affidavit shall be forwarded to the General Secretary-Treasurer in the month in which it is signed. It shall be conclusively presumed that all who have not executed such individual affidavits still desire to retain the charter.

ARTICLE XXI

LABOR DAY

We recognize the first Monday in September as Labor Day, except in states where another day is provided by law, and call upon all Local Unions to observe the same. It is advisable for Local Unions to observe the day, as best adapted to their locality.

ARTICLE XXII

LOCAL UNIONS

Bylaws

Section 1. Each Local Union shall adopt such Bylaws as it may deem advisable, providing they do not conflict with the laws of the International Union. Where the General President fails to approve the Bylaws the Local Union may refer the matter to the General Executive Board.

Officers

Section 2. The officers of the Local Union shall consist of a President, Vice President, Recording Secretary, Secretary-Treasurer and three (3) Trustees. These officers shall constitute the Executive Board of the organization. The meetings of the General Executive Board, Conference Policy Committees and the Executive Boards of Local Unions and all other subordinate bodies shall be open only to those persons who have been specifically permitted to attend by such Boards or Committees.

Terms of Office

Section 3. The term of office of Local Union officers and elected Business Agents shall be no longer than that of International officers or that provided for by law and shall not be for a lesser period than three (3) years; provided, however, that in the case of Local Unions in which the terms of

office at the time of the adoption of the 1966 Constitution do not expire at the same time, those offices, the terms of which expire prior to the date of the next general election in the Local Union, shall be filled for a term ending as of the time of the next general election, and those offices, the terms of which expire after the next general election of the Local Union, shall be filled only for a term ending as of the time of the general election following the election for such office.

When an election is held in connection with the release of a Local Union from Trusteeship, the terms of the officers elected shall commence as of the effective date the Local Union is formally released from Trusteeship by the General President and shall terminate on December 31 of the second full year thereafter.

A member may hold office in more than one Local Union only with the approval of the General President, even though the person involved has not been a member of the second Local Union prior to holding office. Such officer may be a delegate only from one Local Union. International Union officers and International Union Trustees who are receiving retirement benefits based solely on their services as such officers may hold a salaried office in a subordinate body.

During the term of office of any officer of a Local Union or other subordinate body no action under any circumstances may be taken to affect or

modify the basic powers and duties of the incumbent officer, as established by the Bylaws or past practice. During the term of office of any officer or elected Business Agent of a Local Union or subordinate body his salary may not be reduced an unreasonable amount as a subterfuge to force his resignation. Any reduction in salary during a term of elected office in a Local Union or subordinate body shall be made only on the basis of adverse change in financial condition as attested to by the General Secretary-Treasurer of the International Union.

Any modification of the basic duties and powers of an office and any reduction in salary of an officer, except as provided above, may be made effective only as of the beginning of the next term of office.

Nomination and Election of Officers

Section 4 (a). Nomination of officers and elected Business Agents shall take place in November or December. Nominations shall be made at a general or special membership meeting or at a meeting of each separate division, craft or place of employment authorized by the Local Executive Board to hold separate meetings. If nominations are held at separate division, craft or place of employment meetings the members may nominate candidates from their own or any other division, craft or place of employment for election to union office. A member otherwise eligible to run for office shall become a bona fide candidate only upon his nomination for office and acceptance of the nomination. Candidates

must accept nominations at the time made either in person, or, if absent, in writing, and may accept nomination for only one office. A member may also run for and be elected as a Business Agent or Assistant Business Agent as provided in Article XXII, Section 8, and may hold both the office and the position if elected to both. After a candidate has accepted nomination, he may not, under any circumstances, revoke his acceptance after the ballots are printed. If any nominee should die before the election, his name shall nevertheless appear on the ballot. In the event the name of the deceased nominee shall receive the requisite number of votes to be elected, the position shall then be filled in the same manner as vacancies are filled when they occur during a term of office.

(b). The election shall be held at such place or places and at such time, not earlier than thirty (30) days after the nomination meeting, as may be designated by the Local Union Executive Board. The election shall be by secret ballot to be placed in boxes, unless the Executive Board of the Local Union has authorized the use of some standard type of election mechanical device insuring a secret ballot by machine vote, the election box or boxes or machine or machines however to be located at a place or places designated by the Local Union Executive Board; balloting shall be open for a period not less than six (6) hours during the period between the hours of 8:00 a.m. and 8:00 p.m. and it shall be the duty of the Local Union Executive Board to

ART. XXII, SEC. 4

provide safeguards for the honest and fair conduct of such election, including grant of the right to each nominee in such election of at least one (1) observer at the candidate's own expense at each polling place who must be a member of the Local Union in good standing. Voting by writing in the name of a person who was not duly nominated shall not be permitted. Any ballot shall be declared void if it contains any mark other than the voting mark. The Local Union Executive Board shall have the authority to establish all rules and regulations for the conduct of the election to supplement the provisions of the International Constitution and the Local Union Bylaws, including the authority to use mail referendum balloting or absentee balloting without membership approval.

(c). The candidate for each office who receives a plurality of the votes cast for the office shall be elected thereto except in the case of trustees in which case the three (3) candidates receiving the highest number of votes shall be elected. In the event of a tie vote the candidates shall resolve such tie by lot. The officers-elect may be installed at the same meeting at which they are elected or, if not elected at a meeting, at the next meeting following their election. Where the nominee is unopposed at the regularly designated nomination meeting, there shall be no necessity for the election of such nominee and he shall be declared duly elected at such nomination meeting, effective as of the conclusion of the term of the previous incumbent.

(d). The General President is authorized to change the time and place of nomination and election provided for in this Section.

Nomination and Election Protests

Section 5(a). Any member who desires to challenge a ruling that he is ineligible to run for office shall appeal, in writing, within forty-eight (48) hours after receipt of the ruling to the General President or his designee, who shall decide such an appeal within seven (7) days after receipt of the protest. The decision of the General President shall be appealable to the General Executive Board pursuant to the provisions of Article VI, Section 2 of the International Constitution. In the event there shall be any protest or charges made concerning an election by any member prior to the holding of the election, such protest or charge shall be made in writing by registered or certified mail by such member within forty-eight (48) hours of his knowledge of the event complained of and shall specify the exact nature and specifications of the protest. Such protest or charges shall be made to the Local Union Secretary-Treasurer who shall refer the protest or charges to the Local Union Executive Board for disposition. The decision of the Local Union Executive Board shall be appealable pursuant to the provisions of Article VI, Section 2 of the International Constitution.

(b). In the event there shall be any protest or charge by any member concerning the conduct of

ART. XXII, SEC. 6

the election after the election has been held, such protest or charge shall be made in writing by registered or certified mail by such member within forty-eight (48) hours setting forth the exact nature and specification of the protest and his claim as to how it has affected the outcome of the election. Such protest or charges shall be made to the Local Union Secretary-Treasurer who shall refer the protest or charges to the Local Union Executive Board for disposition. The decision of the Local Union Executive Board shall be appealable to the Joint Council and thence to the General Executive Board for final decision, which is not appealable to the Convention, in accordance with the provisions of Article XIX of the International Constitution to the extent that such provisions may be applied to an election protest or charges.

(c). If votes are challenged such challenge shall be made in writing at the time of the election with specific reasons given for such challenge.

Election of Additional International Convention Delegates

Section 6. The provisions of this Constitution governing the conduct of the nomination and election of Local Union officers shall also govern the conduct of the election of additional delegates and/or alternates to the International Convention which may be conducted pursuant to the provisions of Article III, Section 5.

Seasonal Workers

Section 7. The regular nominations and elections in Local Unions, having a substantial number of seasonal workers in their membership, shall be held at such dates and times as the General President shall designate in the year provided for in the Local Union Bylaws, and in conformance with all other provisions of the International Constitution pertaining to nominations and elections.

Business Agents

Section 8. The Business Agents and Assistant Business Agents of a Local Union may be elected in the same manner as officers are elected, or appointed in the manner provided by the Local Union Bylaws. Elected Business Agents or elected Assistant Business Agents may be removed only according to the trial procedures set forth in this Constitution or Local Union Bylaws. Appointed Business Agents or appointed Assistant Business Agents may be removed at will by the appointing authority.

Vacancies

Section 9. The Local Union Executive Board shall fill by appointment all vacancies in elected offices which occur during the term of such office for the unexpired term. Vacancies in the position of elected Business Agents or elected Assistant Business Agents shall be filled by appointment by the person or persons designated in the Local Union Bylaws.

ARTICLE XXIII

**DUTIES OF LOCAL UNION
SECRETARY-TREASURERS**

Section 1. Prior to taking office Local Union Secretary-Treasurers shall comply with the provisions of Article X, Section 7 and any applicable law.

Section 2. Local Union Secretary-Treasurers shall enter all receipts in the name of the Local Union and shall deposit all moneys in accordance with Article X, Section 9.

Section 3. When Local Union Secretary-Treasurers pay bills by check, such checks must bear the signature of any two (2) of the following: the Local Union President, the Local Union Secretary-Treasurer, or one (1) other officer or elected Business Agent. In the event that two (2) or all of these officers become ill or otherwise incapacitated the Local Union Executive Board shall designate substitutes for the purpose of signing such checks.

Section 4. Local Union Secretary-Treasurers shall maintain a bookkeeping system as prescribed by the General Secretary-Treasurer and approved by the General Executive Board.

Section 5. Local Union Secretary-Treasurers must pay to the General Secretary-Treasurer the initiation fee and per capita tax as prescribed in Article X, Section 3.

ART. XXIII, SECS. 6-9—ART. XXIV

Section 6. Local Union Secretary-Treasurers must report additions, deletions and corrections to the original magazine mailing list of the Local Union to the General Secretary-Treasurer on a current basis.

Section 7. Local Union Secretary-Treasurers cannot and must not carry any men on their books as members of the organization and mark them exempt from paying dues, unless there has been a waiver by the General Executive Board.

Section 8. Local Union Secretary-Treasurers shall forward to the Office of the General Secretary-Treasurer the names of the officers of the Local within thirty (30) days after their election or appointment to office, using the system and forms prescribed by the General Secretary-Treasurer.

Section 9. Local Union Secretary-Treasurers shall forward to the Office of the General Secretary-Treasurer copies of all reports filed by the Local Union with all governmental agencies.

ARTICLE XXIV

SERVICE OF PROCESS ON INTERNATIONAL UNION

Only the elected officers of the International Union are authorized to be its agents for service of process. General Organizers, staff members and employees of the International Union and the officers and employees of subordinate bodies are not author-

ART. XXV—ART. XXVI, SECS. 1-2

ized to be agents of the International Union for service of process under any circumstances.

ARTICLE XXV

DEFINITION OF EXECUTIVE BOARD

Unless specifically provided otherwise, wherever this Constitution provides for action by the Executive Board of the International Union or any subordinate body, the words "Executive Board" shall mean "a majority of the members of the Executive Board present and voting at a duly called meeting."

ARTICLE XXVI

SAVING CLAUSES

Section 1. The provisions of this Constitution relating to the payment of dues, assessments, fines or penalties, etc., shall not be construed as incorporating into any union-security contract those requirements for good standing membership which may be in violation of applicable law, nor shall they be construed as requiring any employer to violate any applicable law. However, all financial obligations imposed by or under this Constitution and Local Union Bylaws (and in conformity therewith) shall be legal obligations of the members upon whom imposed and enforceable in a court of law.

Section 2. If any provision of this Constitution shall be declared invalid or inoperative, by any

competent authority of the executive, judicial or administrative branch of a state, provincial or federal government, the General Executive Board shall have the authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place and stead a provision which will meet the objections to its validity and which will be in accord with the intent and purpose of the invalid provision. If any Article or Section of this Constitution should be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of this Constitution or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid, shall not be affected thereby.
